

TO UNIONIZE NEGROES OF THE SOUTH

American Federation of Labor Hears That Colored Workmen Take Place of Union Men.

Baltimore, Md., Nov. 16.—The emigration of southern negroes to northern labor centres was brought to the attention of the American Federation of Labor convention today, when the committee on organization favored a resolution designed to eliminate what was characterized as a menace to the workers in the northern states. The resolution, which subsequently was adopted, was framed by members of Ohio federations. It recited that the invasion of such emigration and importation of negroes in the State of Ohio had demonstrated, to the satisfaction of labor leaders in that state, that they were being brought north for the purpose of filling the places of union men demanding better conditions, as in the case of freight handlers. Believing that "the conditions that prevail in Ohio may apply in all northern states" the president and executive council of the Federation were instructed to inaugurate a movement looking toward the organization of negroes in the southern states.

IF YOUR THROAT IS HUSKY, CATARRH MAY BE STARTING.

A weak or irritated throat is the first step towards Catarrh. Everything depends upon the remedy. A cough mixture slips quickly over the weak spots, drops into the stomach and does little but harm digestion. It's altogether different with Catarrh-ozone—it cures because it gets right at the trouble. You inhale Catarrh-ozone, breathe in the vapor of healing balsams that strengthen and restore the weak throat tissues. You'll never have colds or coughs. Throat trouble and Catarrh will disappear with the use of Catarrh-ozone. Get the large dollar outfit which includes the Inhaler, it lasts two months and is guaranteed to cure. Smaller sizes 25c. and 50c., sold everywhere.

WHEN YOU CAN'T SLEEP

YOU SHOULD USE MILBURN'S HEART AND NERVE PILLS

Sleeplessness is caused by the nervous system becoming deranged. Perhaps too much worry has gotten on your nerves, perhaps you have overworked yourself, or have been excessive in your use of tobacco, but whatever the cause, the nervous system must be built up again before restful sleep can be assured. Those whose rest is broken into by frightful dreams, nightmares, sinking and smothering sensations, who wake up in the morning as tired as they went to bed can have their old, peaceful, undisturbed, refreshing sleep each again by using Milburn's Heart and Nerve Pills. Mrs. John Sloan, Haley Station, Ont., writes: "Over a year ago I was very nervous. I could not sleep at night, and I would faint at the slightest fright. I tried several doctors, but they did me practically no good. I noticed your advertisement, and immediately tried Milburn's Heart and Nerve Pills, and I am proud to say they cured me." Milburn's Heart and Nerve Pills are 50c. a box, or three for \$1.25, at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

SAYS U. S. IS DOING GOOD SERVICE

Manchester Guardian Thinks Well of Action of Washington in Belgian Deportations

London, Nov. 16.—Commenting on the announcement from Washington that instructions have been sent to the American charge at Berlin to take up with the German government the matter of deportation of Belgian civilians into Germany, the Manchester Guardian says the plain man will think this amounts to a protest, adding: "It therefore, such a measure is conveyed to the German chancellor, we welcome it, not because any change in the German policy is likely to follow, but because it is, at any rate, a declaration that the latest German offenses concern not only the powers at war, but America also, and by inference the whole of humanity." While short of formal judgment on some of the "German abominations in the conduct of war," the Guardian says, America "is doing good service in the cause of humanity, and giving powerful reinforcement to the cause of the Allies when she pronounces, however informally, her opinion of German conduct of the war. Mr. Wilson's second term has opened."

THE 104TH MAY NOW BE IN FRANCE

Letter from Member of Band, Written on November 1st, Indicated that Regiment Would Leave England Soon

It is just possible that the men of the 104th Battalion are by this time in France doing their bit to drive back the Hun, and crush Prussian militarism for ever. The following extract from a letter which arrived in the city yesterday will be read with interest by all New Brunswickers who are following the doings of the new 104th as keenly as the doings of the original 104th were followed in their day, and the people of this province feel sure the glorious record of the old 104th will be upheld by the new. Private Spurgeon E. McBride of the 104th Battalion Band, writing from Poikstone, England, to his parents under date of Nov. 1st, says that the battalion expected to leave soon for France. On the day his letter was written the battalion, under Lt. Col. Fowler, was inspected on Sir John Moore's Plains by Maj-Gen. Steele. In addressing the officers and men, Maj-Gen. Steele told them that Col. Fowler had fought to keep the 104th as a unit, and had succeeded, and before long they would have an opportunity to fight for their colors. He also told the young officers to be careful and look after their men. Private McBride before enlisting was a member of the City Cornet Band and St. Peter's Orchestra.

Had Severe Cold PAIN IN CHEST SPASMODIC COUGHING

Many people when they contract a cold do not pay any attention to it, thinking perhaps it will pass away in a day or two. This is a mistake for before they know it, it has settled on the lungs. Too much stress cannot be laid on the fact that on the first sign of a cough or cold it must be gotten rid of immediately, otherwise it may cause years of suffering from some serious lung trouble. Mr. A. George, 30 Blevin's Place, Toronto, Ont., writes: "Having greatly benefited from your remedy, Dr. Wood's Norway Pine Syrup, I take the liberty to write you a few words about the effect of that wonderful syrup. Two years ago I caught a severe cold followed by a spasmodic cough and pain in my chest. I was treated by many doctors but without any benefit, and also took many proprietary medicines which all failed to cure. One of my friends recommended Dr. Wood's Norway Pine Syrup, and after using three bottles I was completely cured. I recommend it to anyone as a God-sent remedy." "Dr. Wood's" is put up in a yellow wrapper, three pine trees the trade mark, price 50c. and 50c. Manufactured for the past twenty-five years by The T. Millburn Co., Limited, Toronto, Ont.
