A Minister's Evidence

That Piles, or Hemorrhoids, Can be Quickly Cured—A Justice of the Peace Cured Many Years Ago.

Toronto, Ont., May 22.—There has come to us a letter from a prominent man who bears a questionable testimony in regard to Dr. Chase's Ointment as a prompt and lasting cure for piles.
These men give their evidence freely because they know what it means to suffer from the tortures of piles and then be cured. They feel it a duty and a pleasure to let others know they too may be cured.
Rev. Frank N. Bowes, Methodist Minister, Priceville, Ont., writes: "In the winter of 1912, I was stationed in Cobalt. I went for a snowshoe tramp one day, and sat for only a few minutes on a cold stump waiting for some comrades to catch up to me. From sitting on the damp stump I contracted piles, and suffered so severely that it caused me great pain to walk. A friend recommended Dr. Chase's Ointment, and I immediately released a small box which very rapidly effected a cure. I always keep a box on hand and find it excellent for any kind of wound or sore."
Mr. W. B. Thorne, J.P., Alderside, Alta., writes: "It was twenty-eight years ago that I became acquainted with the merits of Dr. Chase's Ointment and would not be without it on any account as it never fails to do its work. I was first induced to try it for piles. Less than one box cured me. I have never been troubled since. That was twenty-eight years ago. I think the cure is permanent. It is good for sore lips and hands, chafing and in fact all sorts of sores. You are at liberty to use his statement for the benefit of others."
You can put Dr. Chase's Ointment to the test in any case of piles with the utmost assurance that you will obtain relief from suffering and ultimately lasting cure. 60 cents a box, at all dealers, or Edmondson, Bates & Co., Limited, Toronto.

ILL THROUGH NEGLECT

There are many people—including most women—who will take far more trouble about anyone else's health than their own. This sort of selfishness is not really kind—it is not right. A person in bad health is always a burden in some way or another. To save others from becoming a burden, and allow one's self to become an invalid, is neither wise nor generous.

Science shows that nine-tenths of the ills that afflict mankind, and women especially, are due to poor, thin, watery blood. This is the condition which doctors call anaemia, and it can only be overcome by making the blood rich, red, and pure. The remedy is in your own hands—if you continue to suffer you have only to blame New Blood will put an end to many ailments, headaches and backaches that afflict so many women, and the feeling of constant tiredness and indisposition to exertion so many men feel, without thinking they are really unwell. The very best remedy in the world for this condition is Dr. Williams' Pink Pills. These actually make an abundance of new, rich blood, and this new blood makes weak despondent men and women vigorous, healthy and strong. If you are unwell, if you are feeling "out of sorts," give this tonic medicine a trial, and see how quickly you will recover your old time energy and good health.

You can get Dr. Williams' Pink Pills through any dealer in medicine, or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams Medicine Co., Brockville, Ont.

We will do it. We will break the prices at our big price breaking sale.
