Cured After Eight Years.

Mr. R. E. Fleming, Toronto, representative for Messrs. Ewing & Sons, Montreal, writes:—"Having been very much troubled with catarrh during the last eight years, and now being completely cured after using Japanese Catarrh Cure, I feel that I cannot say too much in its favor. Previous to using this remedy I had spent hundreds of dollars with doctors and medicine, but obtained only temporary relief. It is now nearly six months since I used Japanese Catarrh Cure, and catarrh has not troubled me since."

Hearing Restored.

Mr. D. N. Spencer, 11 Colborne ave., Toronto, writes:—"I have been much troubled with catarrh and deafness for a number of years, which were becoming worse each year. I consulted several specialists in Toronto and Winnipeg, but there two years ago, but obtained no permanent benefit. About a year ago I obtained a sample of Japanese Catarrh Cure. It certainly does all claimed for it, which cannot be said of many other remedies tried."

Cured After Seven Years.

Mr. J. N. Sloan, 78 McGill street, Toronto, writes:—"I feel that I cannot say too much in favor of Japanese Catarrh Cure. I have suffered from catarrh of a most disagreeable kind for seven years. I purchased a box of Japanese Catarrh Cure, and from the very first every day's use showed a marked improvement until now, I am pleased to say, I am entirely free from that loathsome and disagreeable disease. I feel it my duty to attest my appreciation of anything so worthy."
