HONORABLE JOHN COSTIGAN

New Brunswick's "Grand Old Man" comes out strongly in favor of "Fruit-a-tives."

Who has not heard of the Honorable John Costigan? He is today one of the most powerful, as well as one of the oldest, figures in Canadian politics. He was one of Sir John Macdonald's ablest lieutenants, and for nearly 20 years held various portfolios in the cabinet.

To-day at the age of 71, he is the idol of the electors of New Brunswick, and a power to be always reckoned with in Parliament.

His rugged eloquence—biting sarcasm—and ready repartee—make him at once the dread of his opponents and the delight of his conferees.

When a public man of the Hon. John Costigan's position voluntarily testifies to the marvelous cure effected by "Fruit-a-tives," it is bound to carry convincing weight with the whole Canadian people.

OTAWA, Ont., 233 Cooper St., Jan. 8th, 1906.

You know that fearful trouble I have had all my life time from constipation. I have been a dreadful sufferer from chronic constipation for over thirty years and I have been treated by many physicians and I have taken many kinds of proprietary medicines without any benefit whatever. I took a pill for a long time which was prescribed by the late Dr. C. R. Church, of Ottawa. Also for many months I took a pill prescribed by Dr. A. J. Rogers, of Ottawa. Nothing seemed to do me any good. Finally I was advised by Dr. Rogers to try "Fruit-a-tives" and after taking them for a few months I feel I am completely well from this horrible complaint. I have had no trouble with this complaint now for a long time, and I can certainly state that "Fruit-a-tives" is the only medicine I ever took that did me any positive good for constipation. I can conscientiously recommend "Fruit-a-tives" to the public as, in my opinion, it is the finest medicine ever produced.

(Signed) JOHN COSTIGAN.

Was ever medicine put to a severer test than this? Here was a great Public Official, who had suffered for more than 30 years with Chronic Constipation. The leading physicians of Ottawa prescribed for him without affording any permanent relief. Finally, as a last resort, "Fruit-a-tives" were ordered. And in THREE MONTHS, Mr. Costigan WAS WELL.

"Fruit-a-tives" did in THREE MONTHS, what doctors and drugs failed to do in THREE YEARS.

"Fruit-a-tives" are the most perfect combination known to medical science. They are fruit juices, concentrated and combined with tonic and laxative principles.

Purifies bile, antibilious pills and all preparations containing calomel, opium, senna, licorice, etc.—"Fruit-a-tives" act like fruit juices, sweeten the stomach and increase the flow of bile. It is the bile, given up by the liver, which causes the bowels and makes them move.

Unless the liver is active and excretes sufficient bile to move the bowels regularly and naturally every day, there is bound to be Constipation. And this only remedy that will cure Constipation is one that puts the liver in a healthy, active condition as "Fruit-a-tives" do.

Do you suffer from Chronic Constipation? Are you bilious? Is the liver inactive? Is the stomach out of order? Does the head ache? Do you get constipated every day? Is the skin disfigured with pimples? Is the appetite poor? Take "Fruit-a-tives." They sweeten the stomach—regulate the liver, kidneys and bowels—clear the skin—and build up strength and invigorate the system.

One box will prove their value. 50c a box or 6 boxes for \$2.50. Sent on receipt of price if your druggist does not handle them.
