### The Child of the Town.

See the woodland maples flame,
While the night wind cold and clear
Is calling, calling, calling
That the autumn days are near;
From the distant city's din
A sweet voice cries "Away!"
And by pasture, lane and hillside
No more my footsteps stray.

See the woodland maples flame,
While the gentian, deeply blue,
Is calling, calling, calling
"I have sprung to life for you!"
But the clarion voice shrills high—
O noisy, busy mart,
Love and faith are thine, my birthright,
Thou art dearest to my heart!

## WOODSTOCK MEETING RED-HOT FOR RIVAL TELEPHONE COMPANY

Woodstock, Oct. 17—The motive spirit rampant at the council chamber last night, when the room was crowded to the doors to further consider the question of an independent telephone company for the town, was that a competing system must be installed. J. C. Hartley was in the chair and A. D. Holyoke secretary.

Among other things Mr. Hartley said that he had several talks with many citizens who are favorable for the town to procure legislation for the establishment of a telephone company, and that a vote be taken at the January election for mayor and aldermen to see if the people approve municipal ownership of telephones.

A. D. Holyoke said that the soliciting committee, H. V. Dalling, G. E. Balmain and himself, had canvassed the town and found that the citizens were in hearty accord with the movement. They were not in a position, he said, to discuss the dividend paying qualities of the new company until we get further information. They have now about $4,000 subscribed; there would be no difficulty in getting subscribed capital to the amount of $12,000 on a $24,000 plant.

J. A. Lindsay, R. E. Holyoke and N. F. Thorne, members of the committee seeking information as to the cost of a new plant, reported and they were given until next Wednesday night for a final report.

Mayor Munro expressed his approval of the course the citizens had taken. He was in favor of the town installing and owning the telephone. He gave a history of the principle of municipal ownership of telephones and referred to Port Arthur (Ont.) as a case in point, where, with a plant worth $20,000, the receipts last year were $8,787.81, expenditures $6,657.58, credit balance $2,130.23. He would show his interest in the matter by taking stock in the private company. He was also in favor of the town taking the charter over from the company.

H. V. Dalling was the most severe of any of the speakers on the N. B. Company. He had been connected with that company nineteen years. It was paying when the rates were only $10 for business places and $5 for residences. He told of the early history of the company, of the entry and absorption of the Union Company, and closed by saying: "I have no use for the N. B. Company. It has got to get out of this town as far as local business is concerned, and they have got to receive our messages over their trunk line. I would sooner steal than hire with them again."

A motion was unanimously carried that this meeting endorses the object of the Citizens' Telephone Company and will do all in its power as individuals to further the interests of said company.

## ST. JOHN MARKETS

In the produce market last week, beef again eased off in price a little, though pork, owing to the demands of the packing establishments, is half a cent dearer. The supplies of butter and eggs and poultry are just about equal to the demand. Potatoes are coming in rather more freely and they have dropped 25 and 30 cents a barrel.

Western beef is now quoted at 8 and 9½ cents a pound wholesale and country beef at 4 to 7 cents. Potatoes are held at $1.25 to $1.60 a barrel, carrots and beets are selling at $1 to $1.25 a barrel and turnips from 70 to 80 cents a barrel.

No change took place in the price of flour during the week, although in the present state of the market dealers say they would not be surprised how soon prices may again take a jump. Oatmeal is at present considerably higher than flour. Indeed, local men say it has now reached the highest point for many years. Roller oatmeal is now worth from $7 to $7.10 a barrel and standard oatmeal is held at $7.25 and $7.35 a barrel. The following were the principal wholesale quotations Thursday:

### The Colonial in England.

A land that is a garden all rose-grown,
Of Muffled lawn and odorous lane;
A land of languid rivers and repose,
And ivied green and quiet rain!

An ordered land that broods on yesterday,
Of hearts content with other years,
Of haunted dusks and hills that harbor dreams—
A country old in time and tears!

But, oh! my heart goes, homesick, back today—
Back to the wide free prairie's sweep,
Back to the pines that brought the sunset near,
Back where the great white Rockies sleep!

For I am tired of dusk and dream and rose,
Of ghosts, and glorious dead and gone,
I want the outland trail, the upward sweep,
The New World and the widening dawn!
—Arthur Stringer, in Munsey's.
