Dinner and Dessert Knives

You know that Sheffield, England, is famous for its cutlery. The cutlery we sell is made in Sheffield—by the best manufacturers, and there is nothing better on the market.

Steel Knives are more durable than plated knives, because they can be sharpened and the grained celluloid handles are better than ivory for wear and quite as handsome in appearance.

Square Handle Knives

No. 20 1/4—Cavendish, best grained celluloid handles, silver steel blades, hand-forged: Dinner Size, per dozen \$6.50 Dessert Size, per dozen \$7.00 No. D81N—Best grained celluloid handles, round end; hand forged blades of best quality steel.
