something else, and the lady marched down stairs in an emphatic manner. It was dark, and hot, and stuffy. The president pulled the ropes in vain. She would not stir. Some more moments passed. The president repeated his remarks. People passed on the stairs. He could hear their footsteps. Some more moments went by and then it was still. At last the president took off his coat and pulled with might and main on the iron ropes. Nothing happened, and then he lifted up his voice, and the well re-echoed. Suddenly a small head was thrust into the top of the car and a young person of color said briefly, "the engineer's or Diseases of the Chest and Stomach, Loss Appetite, Hoarseness, Coughs, &c.
