A Young Lady Drowned. FREDERICTON, Dec. 9. losing a word. There were various 18 feet. Last evening, about 8 o'clock, while losing a word. There were various skating on Gibson's Mill Dam, Miss Clayton and Mr. Fisher skated into an open air hole. Despite all efforts made to save her Miss Clayton was drowned. It is to save her Miss Clayton was drowned. It is to save her Miss Clayton was drowned. It is an and political disquisitions," etc. The great majority however. Last evening, about 8 o'clock, while skating on Gibson's Mill Dam, Miss Clayton and Mr. Fisher skated into an nsible. There was about 20 feet of great majority, however, went away water. Miss Clayton's body has been highly pleased, and with a far deeper insight into the work of English reformers. a d greater respect for them, than they

It is raining here to-day. "The English Satirists;" by Edward Jenkins, in the Institute to-night.

and now I wish to describe faithfully and without exaggerating the melancholy powerty and degradation which exists beside it. I looked the other day at the pile of buildings at St. Pancras, London, which is being exected on the site of what was once a thickly populated district, but is now our central railroad station. The population here, eight years ago, was so so that the population here, eight years ago, was so so sure alone. Now the railroad consults heartlessly back, and they have had to fonce themselves further rearwards into districts already overcrowded. Intoler-The Government has under co districts already overcrowded. Intolertion two cases of con TUESDAY, 16th inst., able are the conditions of life is a popu-tto clock in the afternoon, and 7 o'clock in lation packed like this. A. McDean, Superintendent, and some of the Cohorters of the Society. Addresses will also be delivered by Rev. F. H. Almon, of St. Stephen; Rev. G. M. Armstrong, Rev. David Watters, L. L. D., Rev. Howard Sprague, M. A. L. B., Botsford, Esc., M. D., will preside.

At a Preliminary Meeting, on WEDNESDAY afternoon, 10th inst., at 3 o'clock, in the Y. M. C. A. Rooms, the Superintendent and a number of the Cohorteurs will give a detailed account of their work in the Maritime Provinces. An opportunity will be given for full enquiry and discussion respecting the principles and necessity of cussion respecting the principle and the principl

have them hang on your neck for a liveli-hood. The effects of the permicious sys-tem of out-door relief were rumous. It destroyed all motives for thrift in the operations in the many department.

workingman, because it ensured him State support when he had spent his own means. support when he had spent his own means.

The English laborer has not sufficient incitements to rise in life. His savings are too small to buy a piece of hand, because the land has a factitious value from being locked up by primogeniture, corporations, trustees, and because the legal expenses attendant ontransfer are so great. He turns gladly from the daily struggle for bread to the comparative comforts of

for bread to the comparative comforts of the poor house. The only hope for him is emigration. The British colonies are yast, rich, and free, and the laborer, leavyast, rich, and free, and the laborer, leaving the land where he has struggled for a daily skinful of meat and drink, may become a lord of the soil himself. A cermake any change in the service whatever.

Portland Police Court. Ehere were no prisoners on hand this

est danger to the greatness of England. The decay was only threatened, however. A Ferry Accident.
