Services at the B.M.E. Church last Sunday were, as usual, good and well attended. The faithful people of our city continue to manifest considerable interest in the services of the Church. The pastor is delivering some splendid messages which seem to be creating considerable comment among the many hearers. At 11 a.m. he used as his text Ps. 34: 8, sub, "The Lord is Good." But this fact, said the speaker can only be realized by personal experience. In the evening at 7 p.m. a very striking message was brought to the congregation by the pastor from St. John 4: 13, 14. Sub. "The Satisfying Life." There have been many great teachers and leaders in this world of ours said the speaker in his opening remarks, but none of them have compared with the greatest of all teachers—in the person of Jesus Christ. Thousands of people in our city and in every city of the universe are looking for something. They can never be satisfied with something and they do not know it. It is some One they need, and that One is Jesus Christ. At the close of the sermon an appeal was made by Mrs. Reddick in the interest of the W.C.T.U.

During the month of Feb. the pastor will preach a series of sermons from the subject "Sowing." Feb. 7th, "What to Sow." Feb. 14th, "How to Sow." Feb. 21st, "Where to Sow." Feb. 28th, "When to Sow." All Christian disciples should avail themselves of the opportunity, and attend this series of sermons.
