

ADDITION TO THE RULES AND REGULATIONS
(SEPTEMBER, 1872)

—OF THE—

CANADA PATENT OFFICE

JANUARY 14TH, 1873.

1. DRAWING.

In order to allow the Patent Office to have a Patent Office Record printed and published, containing the Claims and Drawings of all Patents issued, it is further directed, in addition to the requirements of Rule 13 and Form 15, that :—

One Drawing on a sheet of Card Board, 8 × 13 inches, will be required of each invention, in addition to those ordered by Rule 13 and Form 15; the sheet is to be without writing on its face, merely the usual lettering required on the Drawing; written title, references, certificate, signature, &c., not being necessary.

Where several sheets and figures are furnished, in accordance with Rule 13, any one figure which will best give a general idea of the invention will be sufficient.

The card board to be used must have a smooth or calendered surface—a sheet of “double thick Bristol Board,” or “Whatman’s drawing paper,” is recommended.

All drawings must be clear, sharp, well defined, not too fine, and *perfectly black*.
