## THE ROSY BLOOM ON A WOMAN'S CHEEK

is the most alluring beauty in the world. It is a prize within reach of almost every woman, if she will but give proper attention to her skin and her general health. The evil effects of raw winds, dust, extreme cold, working in overheated and steamy rooms or in bad air, can be counteracted by using such ideal preparations as Na-Dru-Co Ruby Rose Cold Cream and Witch Hazel Cream.

Every Na-Dru-Co preparation bears this unconditional guarantee: "If after trying any article bearing the Na-Dru-Co Trade Mark you are not entirely satisfied, return the balance to the Druggist from whom you bought it and he will refund to you the full purchase price, charging it, at our request, to us."

### NA-DRU-CO WITCH HAZEL CREAM

is a delightfully soothing preparation of Witch Hazel, presenting all its wonderful cooling and healing properties in a most agreeable form. For the skin irritation which winter brings--chaps, wind-burn, cracked lips, frost-bites or chilblain--it is a remedy as pleasant as it is effective.
