

Be a sport! Join a club!

Badminton Club

The purposes of the Badminton Club are to promote and stimulate badminton in the University. Gymnasium time is reserved for the club on Monday and Friday evenings in the Lady Beaverbrook Gym. Basic instruction is provided for persons interested in acquiring and/or improving their skills. The club hosts a provincial calibre tournament, the "Early Bird" each fall.

Curling Club

The UNB Curling Club curls regularly at the Capital Winter Club. Instruction is available for those who desire it. The club selects the university's representatives to the university Curling Championships from among its members.

Fencing Club

The Fencing Club is in the process of re-organizing. In the past the club has provided instruction and opportunities for recreational and competitive fencing. If you are interested in helping to revitalize the Fencing Club, contact the Recreation office.

Figure Skating Club

This club formed in 1981-82 skates regularly at the Aitken Centre. The club provides instruction for those who have never figure skated before and provides opportunities for experienced skaters to practise their skills. All interested men and women are invited to participate.

Judo Club

The Judo Club works out regularly in the South Gym. An extensive instructional program is offered to teach the rudiments of Judo and to provide members with the opportunity to achieve belt advancement. Club members compete in tournaments in New Brunswick and other provinces.

A group of enthusiastic jugglers has laid the groundwork for this new club. The purposes of the club are to promote the sport of juggling, to provide instruction, and to provide an opportunity to meet and exchange ideas. All those interested in this sport are invited to join. No experience necessary.

Karate Club

The functions of the Karate Club are to provide instruction for all levels and to provide the opportunity to practice the martial art of Karate.

Kayak Club

The Kayak Club is entering its second year of operation. Club members practise their skills regularly in the S.M.A. Pool. Anyone interested in this sport is invited to join the club.

Rock and Ice Climbing Club

The club acts as a catalyst in the promotion of safe climb-

ing, offering common ground on which climbers can meet, as well as introducing beginners to a pastime of skill, endurance and adventure. The club maintains a store of basic gear, and arranges purchases of hardware for members at reduced rates. A rock school is held in September and an ice school is held in January at the Cochrane Lane Crags of Welsford, N.B. Club trips in the past have been to Mt. Albert in the Gaspé, Bar Harbour, Maine; and Huntington Ravine, New Hampshire.

Rod and Gun Club

The Rod and Gun Club is looking for people who are interested in organizing and operating the club. A small stock of guns and facilities for shooting are available. Anyone interested in becoming involved with this club should contact the Recreation Office.

Rowing Club

The Rowing Club takes advantage of the excellent facility that is available in the Saint John River. Instruction is pro-

vided for all those interested in learning about the sport or improving their skills. Recreational and competitive programs are organized based on members' interests.

Rugby Football Club

Rugby football is the most widely played contact sport in the new world. The UNB Rugby Club introduces new players to this swift, demanding game and offers players, with experience, competitive football of a high calibre. All members play every week. The Club fields two teams, both of which play full schedules in the New Brunswick Rugby Union during the fall. In the spring, after examinations, the Club goes on tour. The 1982 tour was to Quebec and Ontario.

Scuba Club

The installation of a new 9 CFM 5000 psi compressor has allowed the Scuba Club to expand its program. Instructional courses are now offered in both fall and winter semesters. The club uses the SMA pool on Monday and Friday evenings

for instruction and practice. A basic stock of equipment is maintained for use by club members. Certified Divers participate in open water dives, weather permitting.

Ski Club

The Ski Club now offers an active program for club members both on and off slopes. Membership in the club entitles individuals to special discounts at local retailers and at the hills. The club and the Recreation program cooperate to offer instructional programs. Think SNOW!

Sport Parachute Club

The purposes of the club are to give instruction and to provide equipment for Sport Parachuting at a reasonable cost. The club members jump every weekend, weather permitting.

Women's Ice Hockey

The Women's ice hockey team is called the Red Blazers. Tryouts are held early in the fall. The club practises regularly and competes against other club and university teams from the Maritimes and Quebec.

Women's Soccer Club

The sport of soccer is growing in popularity for both men and women. Last year a group of enthusiastic women formed the Women's Soccer Club. The club held regular practices and participated in the Intramural Indoor Soccer program last winter. The Club expects to play against other university and community clubs this season. All women are invited to participate; no experience is necessary.
