Ottawa, February 27, 1936.

My dear Senator:

I have had some important communications, the most important being from Mr. Sauve and one of his lieutenants. A couple of others have been from the county of Richelieu. The latter I could send down but as respects the former I think we should meet. Could you come down early in the week.

Yours very truly,

*Sauve letter
file 17*

Hon. D.O. L'Esperance,
