

Does Your Class Need Money?

MANY Bible Classes and Y.P. Societies have greatly increased their funds by selling Christian Calendars and Scripture Text Calendars. Your class can make money, too, by selling these beautiful Calendars for 1920. **Our generous quantity prices allow you a good profit.**

Each of these Calendars has a beautifully designed cover in col-

ors, while the twelve illustrations—one for each month—are reproduced from paintings of famous Biblical artists. Combined with the Bible verse for every day, the Golden Text, Daily Readings and the International Sunday School Lessons, these Calendars are indeed ideal modern Christian Year Books.

One should adorn the walls of every home and abode in the land, for it is not only a useful thing and a constant delight to the eye, but it is a never-failing source of inspiration, guidance and good cheer as well.
