

among them being Cumberland (46144) and Commodore (54118). This is a bull fit for a header for any herd, and one sure to leave his impress wherever he goes.

Village Gloster—55767—, a fine, well grown red, calved Oct. 10th, 1904, is by Village Champion, and his dam is of the best blood known in the famous Duchess of Gloster family, than which none has done more good to their owners wherever they have gone. She combines the best blood of Canada, Barmpton Hero, with such sires as the Perfection bull Patriot, one of the animals that Mr. Cruickshank regretted selling, and other equally choice and famous breeding. Village Gloster is sure to prove a prepotent sire of choice Shorthorns. Merry Marquis—55755—is a very beautiful, stylish and typical animal, thick and smooth of flesh and level in all his lines, light roan in color, calved Oct. 12th, 1904, is sired by Marquis of Zenda, and of Killblean beauty strain on his dam's side. This family, which has made the name of Killblean and Mr. Manson famous, has been one of the leading prize-winning strains and are a family family throughout the Shorthorn world, noted for uniform excellence. Pride of Pine Grove, calved Oct. 15th, 1904, is a dark roan sired by Scotland's Pride, a well bred son of Star of Morning, dam the fine Jilt cow Tibboursie Rose, shows a pedigree rich in the blood of Mr. Cruickshank's best sires.

Village Lancaster, a grand, deep and sappy yearling, calved Oct. 21st, 1904, is by Village Champion, and his dam is Lady Lancaster 6th, bred by Wm. Duthie and sired by the great Golden bull Gravesend. This bull was used both by Messrs. Campbell and Duthie. He was sired by the Victoria bull Royal Victor and his dam was by the famous Barmpton, while his g.d. was by Champion of England. The Lancaster family have been winning honors for generations, and are descended from the famous Lavender family. Missie Marquis, dark roan, calved Nov. 5th, 1904, is a beautiful and very thick, shapely bull, with fine coat, is a very straight Missie bred bull, being sired by the great Missie bull Marquis of Zenda, and his dam Missie 166th, bred by W. S. Marr, of Uppermill, and his maternal ancestors bred in his herd for seven generations did more than any others to make the name of Marr famous throughout the world. They are conceded to be the most valuable family in existence and at Mr. Marr's dispersion sale, eighteen members of the family sold for an average of \$830.00 each. This is a bull that should call for spirited bidding from all interested in obtaining a header that will assure a future for their herd. Rosebud Champion—55760—is a dark red, calved Nov. 26th, 1904, sired by Missie Champion, a son of Village Champion and Missie 153rd. This is the only one of his progeny he offered for sale and representing on his dam's side all that is good in the breeding of Campbell's famous Kinfellar Rosebuds. He is of breeding too rare for anyone to overlook, while in individual merit he is a hard one to surpass, being a thick, beefy and thrifty kind, with outstanding promise of superlative feeding propensities. Ruby's Marquis, is a well grown and handsome bull, light roan in color, calved Dec. 12th, 1904, and sired by Marquis of Zenda, dam Ruby 15th. Her sire, Topsman (63447), was a bull whose progeny were scarcely equalled for thickness of flesh and feeding qualities. He was a son of Gravesend, dam by General Booth, a pedigree rich enough to make him what he was, and the popularity of the Brawith Bud family, of which Ruby 15th is a straight descendant is founded on long tried and outstanding merit.

## SMITH & RICHARDSON

Importers of
