

"Will they let Famine Fight Against Us"

To us who stay at home, good meals, eaten in comfort, are a commonplace.

But to our Sons, Husbands and Fathers "out there" food is the only thing that matters. The possible lack of food forever haunts them. For without food, how can they "carry on."

From whence shall come their bodily strength.

Realizing these things---how dare we fail to send them the foods they so sorely need?

How can we refuse to eat a little less

white bread, beef and bacon so that there will be enough of these non-perishable foods *for them*.

Shall we let famine, also, fight against them? Or with these facts before them will the great legion of Canadian Women live up to their Food Service Pledges.

The answer lies with each one of you.

The Judgment of Mankind will write an outcast verdict upon those who do not sign and live up to the Food Service Pledge.

Sign the Food Service Pledge before it is Too Late
