## BOY'S LECTURE COURSE.

MR. FINDLAY having been delayed in the North-west longer than he had anticipated, it was found necessary to postpone his lecture announced for last month.

The lecture will, (D.V.) be delivered on the evening of Friday, July 20th,

## REMEMBER!

A BAD BOY becomes A BAD MAN about as easily, and almost as inevitably as a tadpole becomes a frog.

## OUR PICNIC.

ARRANGEMENTS are now being made for a Boys Pic-nic to be held (D.V.) on the 14th inst.

Dominion Day had been the day selected, but after considering the matter more fully, it was decided that in view of the many counter attractions presented that day, it would be well to choose a date later on. Particulars will be given to our young friends attending the weekly meetings.

## TALKS BY THE WAY.

FOR instruction and recreation, a fortnightly Saturday afternoon "Ramble," has been instituted.

Mr Walker accompanies the boys, and in "talks by the way" seeks to interest them in the objects of nature or art, met with during the ramble.

The first walk was taken on the 23rd. the spot chosen being "Rosedale."

The boys are looking forward with pleasure to the day for walk No. 2.
