Before our next issue St. Alban's people will be getting ready for their usual delightful holiday in connection with the Sunday School Picnic and Congregational Outing, so successfully carried out in previous years. Date and place have already been decided by the Sunday School authorities unanimously choosing the well-proved and favourite spot Bond Lake, for Wednesday, July 4th. It is hoped that many of the congregation will bring their friends and help to make

the excursion a great success. Bond Lake has many attractions, besides the delightful trip of some eighteen miles through the picturesque scenery of the York Highlands, and ideal picnic grounds, well provided with pavilions, swings, boats and other accommodations.

There will be a special train (York Radial line) leaving Yonge St. North at 10.30 a.m. Extra car leaving at 2.30 p.m.

Tickets to be obtained from Canon Macnab or the Sunday School Committee. Adults, 50 cents. Children, 25 cents.

Sunday, June 17th, St. Alban's Day, Confirmation Service will be held in the Cathedral at 7 p.m. by the Lord Bishop of the Diocese.

Early last month the A. Y. P. A., in connection with their closing meeting, gave a delightful social evening in the Crypt, to which the adult members of the congregation were invited. About two hundred and fifty people were entertained with an excellent programme of music, vocal and instrumental, followed by refreshments, and the rest of the evening spent in pleasant social intercourse. Such gatherings do much good in bringing the scattered members of the congregation together and promoting good fellowship—which is one of the objects of the A. Y. P. A.

Canon Macnab reports that about one hundred and twenty money barrels have been re-distributed in the Cathedral Sunday School for the summer collection towards the Children's Pier. We hope the pleasures and excitements of the holiday season will not prevent our energetic Sunday School workers from helping on the good work of Cathedral extension.

Mrs. Arthurs of Ravenswood has kindly consented to allow the use of her beautiful grounds for a Garden Party in aid of the Women's League of St. Alban's Cathedral. It is proposed to hold the fête on Wednesday, June 20th. Members of the congregation and friends of the Cathedral are asked to assist in making this a very pleasant and successful affair. A committee of ladies will assist Mrs. Arthurs in carrying out the details, providing refreshments and arranging the programme of attractions. No charge for admission. A substantial tea will be served in the grounds for 25 cents. Ice cream, etc., extra.

Come and bring your friends.

Some more gifts of gems for the Pastoral Staff have been received. A garnet and a cat's-eye, anonymously; and twenty-two gems, comprising carbuncles, large and small, pearl, small diamonds, etc., etc., from Mrs. Monk and Mrs. Boulbee.
