

THIS STOVE PAYS FOR ITSELF IN SAVINGS

For economy, if for no other reason, you need a New Perfection Oil Cookstove. From five to ten cents per day is its fuel cost for the average family—cheaper than coal, wood or gas.

The New Perfection brings all the comfort and efficiency of gas. Instant heat. Perfect regulation for any cooking. No smoke or smell. No overheated kitchens. No fires to build, no wood to chop, no ashes, no dirt.

Made in all sizes including the cabinet models with the fireless cooking oven.

For sale at moderate prices at hardware, furniture and department stores everywhere.

Royalite Coal Oil is Best for All Uses.
