## GOSSIP.

FAIRVIEW SHROPSHIRE.

Mr. John Campbell, Woodville, Ont., writes:  
"My nephew will land at Quebec, if all goes  
well, with our annual importation of Shropshires  
early this month (July). He has notified me  
that a very choice lot is coming from the flocks  
of the well-known leading breeders, Messrs. A.  
E. Mansell and H. Williams. He advises me  
that the importation is sure to please. Our  
home flock has thrived well this season. Plenty  
of good fresh grass, lots of rape and vetches from  
June 15th, and good health, have put the flock  
in nice bloom. All being well, we will show at  
Toronto, the eighteenth year in succession, and  
probably at other fairs. I will not now add a  
word as to what our exhibit will be, but cus-  
tomers can rest assured that good Shropshires  
will be found in our pens, and that the Fair-  
view flock's reputation will not suffer from  
comparisons."

MR. A. P. ALTON'S SHORTHORNS.  
Mr. A. P. Alton, Appleby, Ont., whose farm  
lies a few miles east of Burlington Junction,  
near Hamilton, encouraged by the excellent  
demand for Shorthorns last year, added to his  
already select little herd, the red imported  
cow, Northern Empress, by Northern Star, out  
of Vain Empress, of the favorite Rosedale  
tribe as bred at Kinellar, and in calf to Count  
Vanity (74315). She is a large, smooth, well-  
proportioned and useful cow of the Scotch type,  
and gave her owner a beautiful roan heifer  
calf, which would do credit to any family in  
the breed. Northern Empress has been bred to  
Mr. Pettit's roan imported bull, Prince Cruick-  
shank; while among those of other families  
owned on the farm are: Lady Aberdeen, a de-  
scendant of the Wallflower tribe; Favorite  
4th, by Grand Warrior 9322; and Miss Rock  
Rose, which couples her family name with that  
of the Strathallan family. Mr. Alton's atten-  
tion, good judgment and judicious management  
has been such as to breed up a lusty, strong,  
rugged herd of cattle, which have improved  
with each generation. We think we overheard  
Mr. Alton say that he might visit the big sales  
in Scotland this fall, and make further selec-  
tions, and with his facilities and ability to  
handle pure-bred stock he cannot go far astray,  
since that portion of Halton Co. is becoming so  
famous as a Shorthorn center.
