

All-wool Mica Roofing

Manufactured in Canada especially to withstand the severe contraction of the frost. American paper roofing is a failure in this respect. Eleven years' experience has established the enduring quality of the All-wool Mica Roofing. It is perfectly wind, water and fire proof. The C. P. R. uses this roofing in large quantities, which is a guarantee of its worth. It is economy to use the best roofing. Send for samples and booklet. Send stamp for reply.

176 Higgins Avenue, Winnipeg.

W. G. Fonseca, Esq., City: Winnipeg, March 13th, 1901.
Some years ago I covered a building with your Mica Roofing, and I am pleased to say that it has given every satisfaction and is still in first-class condition. I have been so thoroughly satisfied with the result of my first experiment with the material that I have since used it on three other buildings. It works well on either an ordinary-pitch roof or with merely pitch enough for drainage.
Yours truly,
(Signed) D. A. BUCHANAN.

ENORMOUS PROFITS!

THE GREAT WEST RANCHING CO'Y, LIMITED, OF INDIAN HEAD, ASSA., with an authorized capital of \$100,000.00, divided into 10,000 shares of \$10 each, wish to introduce to you the great secret of the rapid development of the ranching industry in the Canadian West, which is scarcely a quarter of a century old, and by which many have amassed immense fortunes.

This company, with a valuable location at Medicine Hat, is selling its shares at par as long as they last, and offers to be an unequalled opportunity for a right royal investment in the hands of reliable and competent men.

The dropping of a card to this company for their pamphlet on ranching will show you:

That ranching pays from 25% to 50% on investment.

The cost of raising and finishing a canvass.

A demonstration of the difference in the running expense of say, 250 head and 3,000 head.

It furnishes some interesting statistics. It gives you a brief history of ranching and the cowboy in the Canadian West.

Also a short biography of the Directors and Managers of this great enterprise upon which the essential point of success depends.

Don't delay if you wish to participate in the profits of this Company, as it is limited in two ways—as to your responsibility and the number of shares to be sold.
