Look for the Yellow Wagons.

Labatt's India Pale Ale Brass and Iron Bedsteads

Is an excellent nutrient tonic. Physicians desiring to prescribe will hardly find anything superior to this.—*Health Journal.*

"We find that the Ale uniformly well agreed with the patients, that it stimulated the appetite, and thereby increased nutrition. The taste likewise was always highly spoken of. In nervous women, we found that a glass at bedtime acted as a very effective and harmless hypnotic."—Superintendent of large United States hospital.

Souvenir Range

WITH AERATED OVEN

1. Where the fresh air enters.
2. Circulat'g fresh air flue (& where it becomes heated).
3. Fresh heated air enter'g the oven
4. Indicates the action of the air in passing through the oven
5. Exit flue for impure air.
6. Back view of fire box.

An old adage, perhaps a little inelegant, but they say none the less truthful, has it that the way to reach a man's heart is through his stomach. It is true, at any rate, that the man who has his daily meals served to him poorly cooked will soon lose what sweetness of temper he does possess. The bread in the oven, the roast of beef, the delicious turkey, the toothsome pudding, are never spoiled in the cooking if the good wife has a SOUVENIR RANGE installed in the kitchen. These things are possible, because the Souvenir is the only range made with an aerated oven. Our illustration is suggestive of the advantages that come from this oven. It is just the opposite of an air-tight or old style oven, for the air circulates freely all through it. The impurities that gather in cooking food are made to pass out into the exit flues connecting with the chimney, and none is allowed to escape into the room. In a word, the aerated oven produces fresh, not foul or impure air—it forces a rapid circulation of fresh heated air in exactly the same manner as we airify our lungs. All the natural juices of the food are retained and only good cooking is possible.

\$155 in Prizes

We want to influence Canadian housewives to tell their sisters the good time they have with a Souvenir Range, and are offering \$155 in prizes for those who will write the five best essays on the Souvenir Range and its Aerated Oven. Circulars giving particulars of contest and a booklet describing very fully the good points of the Souvenir will be given free on application to any of the agencies of Souvenir Ranges anywhere in Canada, or will be sent direct on application to manufacturers.
