THE KARN PIANO
THE MORRIS PIANO

The KARN PIANO invites comparison because we know that no piano in America is better made, better finished, contains a quicker action or a sweeter tone. When you buy KARN you have the BEST.

The MORRIS PIANO is in a class by itself—nothing among the moderate priced pianos in Canada can equal it. Prove this to your own satisfaction by using it.

A Tribute from Across the Line

The Great-West Life Assurance Company writes a considerable business in the State of North Dakota—and the residents of that State show a growing inclination to take advantage of the low premium rates and high profits available under the Great-West Policies.

One of the North Dakota Policyholders recently wrote:—

"I will say that I have never made a better investment than when I insured in the Great-West Life or ever had better treatment."

Those contemplating Life Insurance should look into the Policies that can earn such commendation. Particulars on request.
