

Young Men of Brant County

The Empire needs you now---Let your service to your country be voluntary---Do not wait for conscription!

125th Brant Battalion NEEDS MORE MEN

TO COMPLETE THE RANKS

Will YOU Be One of Them?

The Terms of Your Enlistment

When a man is thinking of enlisting there are five questions that he wants answered. They are:

1. How long am I to serve?
Until the end of the war and six months after, if required.
2. What pay shall I receive?
Your pay as a private will be \$1 per day and 10 cents field allowance. Besides this you will receive clothing, equipment and subsistence from the Government.
3. What will my wife receive during my absence?
Every month there will be paid her a separation allowance of \$20 (also a part of your pay), and if this be not enough to comfortably maintain your family, the Canadian Patriotic Fund will further assist them.
4. What will happen if I am wounded, sick or taken prisoner?
You will be cared for by the Government and your pay continued until you are discharged. If you are permanently disabled, an allowance will be paid you of \$264, \$192, \$132 or \$75 per annum, varying according to the extent of the injury or disability. In case of total incapacity, your wife will draw in addition \$11 per month, and each child \$5 a month. If taken prisoner your allowances will continue as if you were still in the field.
5. What will be done for my wife and children if I die on active service?
The Government will provide a pension of \$22 monthly for a widow and \$5 for each child. The widowed mother of a single man, if the son be her sole support, is treated in the same way as a wife.

The sums stated above apply to private soldiers and are increased according to rank.

DURING THE PAST WEEK a Recruiting Campaign has been in full swing to bring the strength of the Battalion up to its full complement of 1158 before Sunday night. This will mean still more men. It is a big undertaking, but it can be done if the eligible young men of this county will heed the call of duty and be true to their British citizenship.

Young Man, This Appeal is to YOU!

Can you afford to wait any longer when the need for more men has been shown you? Can you afford to be a weakling, to stay behind with the women, to cheer with flag in hand, when the soldiers—the real men—come home from the front next year? All eyes are turned on you. People are waiting to see what stuff you are made of.

You Are Needed on the Firing Line---The Way to Reach There is Through the 125th Battalion

You'll feel out of place when the cable despatches later tell of the heroic conduct of your companions in the trenches. You will be thinking of them, but fancy what they will be thinking about you! You will have to go some time—why not go voluntarily? You'll be ashamed to have to go later as a conscript.

THE 125th WANTS YOU NOW---ENLIST BEFORE SUNDAY NIGHT

You Must Go Sometime---Surely You Can See the Advantage of Going with the Home Battalion Among Your Own Friends!

THE ACUTE PAIN FROM NEURALGIA

Permanently Cured Through the Use of Dr. Williams' Pink Pills.

Permanently Cured Through the Use of Dr. Williams' Pink Pills.

A clever medical writer has said that "Neuralgia is a cry from the nerves for better blood." In other words, neuralgia is not a disease—it is only a symptom, but a very painful one. Neuralgia is the surest sign that your blood is weak, watery and impure, and that your nerves are literally starving. Red blood is the one cause—rich, red blood the only cure. This gives you the real reason why Dr. Williams' Pink Pills cure neuralgia. They are the only medicine that contains in correct proportions the elements needed to make rich, red blood. This new, rich blood reaches the root of the trouble, soothes the jangled nerves, drives away the nagging, stabbing pain, and braces up your health in other ways as well. In proof of these statements Mrs. A. T. Oulton, Little Shemogue, N.B., says:—"A few years ago my mother was an intense sufferer from neuralgia, which was located in her face, head and shoulders. The pain, especially in her head, was intense. She doctored for some time without getting relief and there seemed to be no chance of the pain whatever. Instead it seemed to be extending and her whole previous system became affected. Finally she decided to try Dr. Williams' Pink Pills. After taking them for a while the pain in her head became less severe, and of course this was a great relief to her. Under the continued use of the Pills she felt herself growing better and stronger each day until she was no longer a sufferer and the pain was completely cured. She has had no symptoms of the trouble since. You can get Dr. Williams' Pink Pills from any medicine dealer, or by mail, post paid, at 50 cents a box or six boxes for \$2.50, from The Dr. Williams' Medicine Co., Brockville, Ont.

LOST HIS LADY

LORD ABERDEEN'S ODD EXPERIENCE ON RAILROAD

Philadelphia, Feb. 18.—The Marquis and Marchioness of Aberdeen reached Philadelphia last evening after a trip to Jacksonville, Fla., where the marquis expressed as a most unfortunate episode. The marquis lost his wife between Jacksonville and Savannah. They were separated somehow at Jacksonville, and when the marquis boarded the train he found himself on the Atlantic Coast Line. She was on the Seaboard Air Line.

The marquis had the train crew and passengers aiding him by telegraph and telephone until he finally located her on the rival line and notified her to meet him at Savannah. He then went to the diner. When finished, he reached into his pocket for the money to pay the bill. "And I had not a shilling," he explained to-day. The marquis had the conductor vouch for him, and when he found his wife in Savannah she opened the purse strings and paid her husband's bill.

CHILD'S TONGUE BECOMES COATED IF CONSTIPATED

Children love this "fruit laxative," and nothing else cleanses the tender stomach, liver and bowels so nicely. A child simply will not stop playing to empty the bowels, and the result is, they become tightly clogged with waste, liver gets sluggish, stomach sour, then your little one becomes cross, half-dick, feverish, don't eat, sleep or act naturally, breath is bad, system full of cold, has sore throat, stomach-ache or diarrhoea. Listen, Mothers! See if tongue is coated, then give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated waste, sour bile and undigested food passes out of the system, and you have a well, playful child again. Millions of mothers give "California Syrup of Figs" because it is perfectly harmless; children love it, and it never fails to act on the stomach, liver and bowels. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Beware of counterfeits sold here. Get the genuine, made by "California Fig Syrup Company." Refuse any other kind with contempt.
