THE REV. C.P. WELLS. of Villa Ridge Ill. says: "Your trial bottle of Asthmalene received in good condition. I cannot tell you how thankful I feel for the good derived from it. I was a slave, chained with putrid sore throat and Asthma for ten years. I despaired of ever being cured. I saw your advertisement for the cure of this dreadful and tormenting disease, Asthma, and thought you had overspoken yourselves, but resolved to give it a trial. To my astonishment, the trial acted like a charm. Send me a full size bottle.

Gentlemen: I write this testimonial from a sense of duty, having tested the wonderful effect of your Asthmalene, for the cure of Asthma. My wife has been afflicted with spasmodic asthma for the past 12 years. Having exhausted my own skill as well as many others, I chanced to see your sign upon your windows on 130 street, New York I at once obtained a bottle of Asthmalene. My wife commenced taking it about the first of November. I soon noticed a radical improvement. After using one bottle her Asthma had disappeared and she is entirely free from all symptoms. I feel that I can consistently recommend the medicine to all who are afflicted with this distressing disease.

Yours respectfully, O. D. PHELPS, M.D.

TWO PAPERS EACH WEEK $1.00 A YEAR.

THE KING, THE QUEEN and THE DUCHESS
OF DEVONSHIRE

A Remarkable Offer.

Here is the best offer ever made in this community. By a very excellent arrangement made with the Family Herald and Weekly Star of Montreal we are enabled to offer THE KENTVILLE ADVERTISER and that great Family Paper, the Family Herald and Weekly Star, for one year for the small sum of $1.75 and include to each subscriber three beautiful premium pictures of which the following is a brief description:

KING EDWARD VII.—True to life, a beautiful portrait, size 18 x 24 inches, on beautiful heavy white satin finished paper for framing. This portrait has been taken since his accession to the throne, and is the very latest and best obtainable. It cannot be had except through the FAMILY HERALD AND WEEKLY STAR; each picture bears the King's autograph. This picture has the great merit of being the first taken after the King's accession, and has therefore an historical value that no other picture can possess.

QUEEN ALEXANDRA.—An exquisitely beautiful picture of the remarkably beautiful and good Queen Alexandra, also taken since the King's accession to the throne. It is the same size as that of the King, the two forming a handsome pair of pictures that alone would sell for many times the subscription price of paper and pictures.

No portrait of the King and Consort taken at the second or succeeding sittings can have one fraction of the value of the first. These go down to history.

THE DUCHESS OF DEVONSHIRE.—The Renowned Gainsborough Picture. Sold at auction sale in London twenty-five years ago for £10,500, stolen by clever thieves, hidden for over twenty-four years and delivered to its owner on payment of $25,000 reward and since sold to Mr. J. Pierpont Morgan for $75,000.

This, in brief, is the history of one of the premium pictures, which, by a clever stroke of enterprise, the publishers of the Family Herald have secured for their subscribers. The picture is 22x28 in ten colours, and is reproduced line for line, colour for colour with the original. Copies of the reproduction are now sold in New York City, Montreal and Toronto for $12 each, and this is the picture Family Herald subscribers are going to get absolutely free together with the pictures of the King and Queen.

Is that not big value? Call at THE ADVERTISER Office and see samples of these beautiful pictures.

You want THE KENTVILLE ADVERTISER for the local news and you want that great paper, the Family Herald, for its 24 pages of general news and family reading. Its agricultural pages alone are worth many times the subscription price.
