Men and women are needed on  
the farms of Canada to-day. It  
is our patriotic privilege to help  
feed our Allies. But it is hope-  
less to try to do the heavy work  
involved if the kidneys require  
attention.

Miss Cora Walsh who has been at  
Halifax during the past year, has re-  
turned to Kentville and is engaged  
in the office of the Western Chroni-  
cle. Miss Walsh had a good many  
years of experience in newspaper  
work in the office of the Advertiser  
and is not only a capable news  
editor but understands thoroughly  
all the mechanical work in a news-  
paper office. Her friends are warm-  
ly welcoming her back, and she is  
being congratulated on her lucky  
escape from very serious injury dur-  
ing the Halifax explosion.

Dr. Barry H. Burgess has been at  
his home Sheffield Mills for three  
weeks from New York visiting his  
relatives. He was on the medical  
staff of Brooklyn Hospital New  
York City, and resigned to come  
home to enlist in the Canadian Army  
medical corps. He leaves this week  
for Camp Hill Hospital Halifax and  
expects to go overseas in the fall.

Mr J.E. Harvey Greenwich had his  
barn destroyed by fire on Mon-  
day, 8th in the afternoon. He was  
absent at the time, and the neigh-  
bours saved the house. There was  
\$200 insurance on the barn just  
enough to cover the value of the  
contents of the barn.

### CONSTIPATED CHILDREN

Mothers if your little ones are con-  
stipated; if their little stomach and  
bowels are out of order; if they cry  
a great deal and are cross and peev-  
ish; give them a dose of Baby's Own  
Tablets—the ideal medicine for little  
ones. The Tablets are a gentle but  
thorough laxative and never fail to  
right the minor disorders of childhood.  
Concerning them Mrs. Noble A. Pyr,  
Ecum Secum, N. S., writes:—"My  
baby was terribly constipated but  
Baby's Own Tablets soon relieved  
her and I now think them a splen-  
did medicine for little ones." The  
Tablets are sold by medicine deal-  
ers or by mail at 25 cents a box from  
The Dr. Williams' Medicine Co.,  
Brockville, Ont.

—Halifax Herald: According to in-  
formation given out at Washington  
by government officials, there is  
little likelihood of a resumption of  
the steamship service on three routes  
before the end of the war viz., New  
York to Portland, Boston to  
St. John and Boston Yarmouth,  
that is by steamers of the Eastern  
Steamship Corporation which have  
been commandeered by the U. S.  
Government.

STELLARTON.—Rev. W. A. Out-  
erbridge, Minister, Stellarton is  
steadily going ahead. During the  
Rev. J. Phelan's incumbency it made  
real progress, and since Mr. Out-  
erbridge went there it has gone a-  
head rapidly. At the last Quarterly  
official Meeting the Recording Ste-  
ward, Mr. John Fellows, handed the  
Minister a check for \$100 which  
made up the salary to \$1000  
Wesleyan.

An oil and gas well was recently  
struck near Chatham, Ont., in the  
Dover township. It was stated that  
the well is the biggest producer ever  
struck in the Dominion of Canada,  
and that the flow is about 400  
barrels of oil a day, and from two or  
three million feet of gas daily.

### Visiting at Belcher Street

Mrs. John Stokes, her son Allen  
and grandson Thomas Hinch, all of  
whom were rendered totally blind by  
the Halifax Explosion, are spending  
a few weeks at the Bezanson Farm,  
Belcher Street.

It is hoped that the country air  
and quiet will restore their strength  
and their scattered nerves.

The circumstances in connection  
with this family are most pathetic.  
Mr. Stokes who has for so many  
years held a responsible position in  
Richmond yard met his death at his  
post of duty on that never-to-be-  
forgotten morning of Dec. 6th.  
The oldest son Jack who had not  
yet reached his 21st year, has never  
been seen or heard from since.  
Kathleen has suffered the amputa-  
tion of a limb, and Agnes losing  
an eye and other bodily injuries.

Miss Agnes Sullivan accompa-  
nied them on their journey but had to  
return to the city on Monday much  
to the regret of her many friends  
in Kings Co.

### Procedure of Registration

On June 22nd every person residing in Canada, male or female, British or alien, of sixteen years or over, must attend one of the registration booths located in his or her district, and there observe the procedure explained below.

**Where to Register**  
Every person required to register has the privilege of registering at any of the public places provided for that purpose. The location of all such places will be specified in proclamations posted conspicuously. The card shown in the illustration is a facsimile of the registration card for males. An advertisement showing the card for females appears in another paper.

**How to Register**  
The procedure of registration is simple. The questions upon the registration card can be answered very easily, but they must be answered truthfully and fully.

Study the questions carefully so that you will be able to answer them promptly when registering. If you have any special qualification, or feel that your services would be more beneficial to the country in some other line of work, say so.

While all are compelled to register on Registration Day, it is not contemplated by the Government to force the sick, feeble and aged to turn out. If such persons will notify the Registrar prior to June 22nd of their inability to attend at a place of registration, an effort will be made to register them at home, provided the request is reasonable and justified.

Remember the Day—June 22nd—Remember the Hours—7 a.m. to 10 p.m. Register early and get your Certificate for your own protection.
