

# CASTORIA

The Kind You Have Always Bought, and which has been in use for over 30 years, has borne the signature of and has been made under his personal supervision since its infancy. Allow no one to deceive you in this. All Counterfeits, Imitations and "Just-as-good" are but experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

## What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is Pleasant. It contains neither Opium, Morphine nor other Narcotic substance. Its age is its guarantee. It destroys Worms and allays Feverishness. It cures Diarrhoea and Wind Colic. It relieves Teething Troubles, cures Constipation and Flatulency. It assimilates the Food, regulates the Stomach and Bowels, giving healthy and natural sleep. The Children's Panacea—The Mother's Friend.

The Best on the Market

St. Regis Lumbago Cure

Guaranteed to Cure Lame Back or money refunded!

An excellent remedy for Rheumatism, Lame Back, Etc., Etc.

Read the following testimonial from a man you all know:

Mr. W. A. Singleton, Forfar, Feb. 6, 1907

Dear Sir,—Being laid up with lame back, I thought I would drop you a line to tell you that your St. Regis Lumbago cure will do all you claim for it, as I have only used part of the bottle and I feel no returning symptoms of the disease.

I may say I have been troubled with lame back for the last ten years, and tried several other patent medicines but without results.

I can heartily recommend it to any troubled with lame back, and I feel safe in saying that it is the cheapest medicine on the market.

Yours truly, JAMES McCUE

If your dealer does not keep this medicine kindly ask him to order same for you as any sized order will be filled promptly.

First order, freight prepaid.

Yours truly, W. A. SINGLETON

**PATENTS PROMPTLY SECURED**

Write for our interesting book "Inventor's Help" and "How you are swindled."

Send us a rough sketch or model of your invention or improvement and we will tell you free of opinion as to whether it is probably patentable. We make a specialty of applications rejected in other hands. Highest references furnished.

## Local and General

This is how it will look—A. E. Donovan, M.P.P.

The first heavy frost of this season occurred here on Tuesday night.

The East Leeds Teachers' Institute meets in Brockville on Thursday and Friday of this week.

Trial Catarrh treatments are being mailed out free, on request, by Dr. Shoop, Racine, Wis.

These tests are proving to the people—without a penny's cost—the great value of this scientific prescription known to druggists everywhere as Dr. Shoop's Catarrh Remedy. Sold by all dealers.

This open fall weather is worth thousands of dollars to the farmers of Leeds county.

The increase in the yield of milk and, what is of more importance, the growth of grass and corn, have somewhat allayed the panicky feeling that prevailed a month ago.

The price of cattle will probably rise in consequence.

Stomach troubles, Heart and Kidney ailments, can be quickly corrected with a prescription known to druggists everywhere as Dr. Shoop's Restorative.

The prompt and surprising relief with this remedy immediately brings it entirely due to its Restorative action upon the controlling nerves of the Stomach, etc. Sold by all dealers.

On Tuesday afternoon of last week two little sons of Benjamin Ferguson, Junetown, were playing with a gun when it was discharged, killing Kenneth almost instantly.

The gun had been secreted from the children, but they succeeded in finding it and the first intimation of danger their mother had was the report of the gun that signalled the death of her little boy.

A young lady from a rural district, who was something of a belle in back woods society, and used to having considerable homage paid to her, especially by neighbors of the opposite sex, boarded a railway train for the first time not long ago.

After she had secured a seat, removed her wraps, adjusted her baggage and smoothed the wrinkles out of her dress, she called the attention of a passing brakeman and demurely said: "You may tell the conductor I'm ready please."

Portage la Prairie Review.

Is our model school to be abolished?

Mr. A. E. Donovan, on the authority of Dr. Fyne, Minister of Education, says not.

And yet the abolition of all model schools (except in sparsely settled districts) is the policy of the Ontario government as declared in the Legislature and in the leading papers of that party.

Is our model school to be abolished? We think not—at least, not until after next election, and even then the government will be slow in forcing on the people a policy that has proved so unpopular as has this proposal.

Mr. Thomas Pounder (better known to many of the younger generation in this country as "Uncle Tom") left this (Wednesday) morning for Montreal where he will remain for a day and then proceed to his home in Boston.

Mr. Pounder spent the whole summer with friends in various parts of Leeds county and enjoyed very much the warm welcome and generous hospitality extended to him everywhere.

He gave to friends about 300 handsome souvenirs of various kinds. Pressure of business forced him to leave at this time despite many invitations to remain and visit other friends.

Crops at Watson

The Reporter is indebted to Malvin Wiltsie for a copy of the first issue of the Witness, published at Watson, Sask.

Athenians have many friends in the Big Quill Lake district, and they will be pleased to learn that the crops there escaped frost and have yielded well.

Concerning Watson, the Witness says:—

"The village of Watson is located in township 36, range 18 west 2nd, on the main line of the Canadian Northern Railway, nearly midway between Winnipeg and Edmonton; or to be exact, 399 miles from the great metropolis of Manitoba, the gateway to the Canadian West, and 428 miles from the thriving city of Northern Alberta.

Regina, the capital of this province, is 115 south; and the Hub, the rapidly growing city of Saskatchewan that may some day be the capital, is 90 miles due west, or 106 by rail. Prince Albert, the lumber city, is 90 miles north west."

## SAVE THIS ANYWAY

Here is a simple home-made mixture as given by an eminent authority on Kidney diseases, who makes the statement in a New York daily newspaper, that it will relieve almost any case of Kidney trouble if taken before the stage of Bright's disease. He states that such symptoms as lame back, pain in the side, frequent desire to urinate, especially at night; painful and discolored urination, are readily overcome. Here is the recipe; try it:

Fluid Extract Dandelion, one half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces. Take a teaspoonful after each meal and at bedtime.

A well known druggist here in town is authority that these ingredients are all harmless and easily mixed at home by shaking well in a bottle. This mixture has a peculiar healing and soothing effect upon the entire Kidney and Urinary structure, and often overcomes the worst forms of Rheumatism in a little while. This mixture is said to remove all blood disorders and cure the Rheumatism by forcing the Kidneys to filter and strain from the blood and system all uric acid and foul, decomposed waste matter, which cause these afflictions. Try it if you aren't well. Save the prescription.

## VILLAGE COUNCIL

The village council of Athens met in the council room on Monday afternoon, Sept. 30. All present except Mr. Blanchard. Minutes of last regular and special meetings read, approved and signed.

A bylaw to levy and collect rates for 1907 was read three times and passed. The clerk reported that the total assessment of the village for 1907 was \$358,824, and that it would require a rate of 15 mills on the dollar to raise the amount required for the year.

Messrs. Purcell and Judson were appointed committees to make some additions to the stage fixtures in the town hall.

Several bills and other matters were laid over to a special meeting to be held.

B. LOVERIN, CLERK.

## The New School Law

As the time is approaching for the engagement of teachers for 1908, it will be well for both trustees and teachers to thoroughly understand the amendments of last season. The payment according to assessment as passed in 1906 was repealed in 1907 and the law as amended now stands as follows: Each township of an average assessed value per section of \$30,000 or over must levy by a general township rate \$300 per section, all of which is to be paid on the teacher's salary.

## Helping the Blind to See

A writer in the New Idea Woman's Magazine for November gives an account of the great progress which has been made recently in the work which is being done for the blind. In the past the blind have been considered merely the objects of pity. Now this attitude has changed. More and more every year the blind are becoming self-supporting. Educators have proved that they may read and write and enjoy all the intellectual pursuits that are thereby opened up, and still more recently have the economic pursuits, one after another, opened their doors to the blind. Sewing, typewriting, massaging and piano-tuning are among the occupations in which the sightless may excel, and every opportunity for their pleasure and development is now given them. The photographs which accompany the article are unusually interesting, showing as they do, the blind children and grown people at work and at play.

**Heart Strength**

Heart Strength, or Heart Weakness, means more strength, or more weakness—nothing more. It is, actually, a disease. It is almost always a hidden tiny little nerve that really is all at fault. This obscure nerve—the cardiac, or Heart Nerve—simply needs, and must have, more power, more stability, more controlling, more governing strength. Without that the heart must continue to fail, and the stomach and kidneys also have less controlling power.

This clearly explains why, as a medicine, Dr. Shoop's Restorative has in the past done so much for weak and ailing hearts. Dr. Shoop first sought the cause of all this painful, palpitating, suffocating heart distress. Dr. Shoop's Restorative—his powerful prescription—is alone directed to these weak and wasting nerve centers. It builds strength; it offers real, genuine heart help. If you would have strong hearts, strong digestion, strengthen these nerves—re-establish them as needed, with
