Before His Honor Judge Bell this morning, M. J. Wilson was cross-examined in connection with the case of the Binder Twine Co. vs. Wilson et al. J. B. Rankin for the Company, and W. E. Gundy for the defense.

Elizabeth Hall charged Isaac Faubert with assault. The case was dismissed. Judge Houston, after hearing the evidence, read the complainant a severe lecture. He said that if defendant would lay a charge against Mrs. Hall that he would give her three months.

Rufus Baxter spent a day this week buying wood for the city's wood yard. On his trip he purchased 1,800 cords of wood. He says he can get 12,000 cords if the Council need it. The wood already bought is of all kinds, including both soft and hard wood, in cord wood and stove lengths. The city will advertise and dispose of the wood to those who want it at what it cost.

NEW DOCKS

Wm. Drader has purchased the Houston property, opposite the Idlewild Hotel, giving 300 feet frontage on the river front. The consideration was \$2,500.

There are five buildings now upon the property. It will be equipped, however, as a lumber yard by Mr. Drader, and a dock built.

This, with the 350 feet above, gives Mr. Drader the largest dockage in the city.

AT THE EAU

Louis Coste, government inspector of piers, who was summoned here by telegram from Hon. J. I. Tarte, Minister of Public Works, to inspect the Radeau piers, arrived in the city today, and went this morning to Radeau.

A special train took the party, consisting of Inspector Coste and a number of Lake Erie officials to the Eau this morning with intention of continuing the journey to Port Stanley.

HEROIC RESCUE

A runaway accident occurred yesterday on Prince street, in which the buggy drawn by Sam. Simmons horse was badly damaged. Bob. Lynn, who was driving, "Saw" the result that it ran away and damaged the rig. The runaway was heroically stopped by Messrs. Bell and Williams, and Mr. Simmons wishes to thank them for their services.

RECORD ENTRY FEE

Charlie Zebbs, a good looking young colored man, is just \$26.65 wiser this morning. Charlie had an idea that it was cheaper to climb the fence at the Fair Grounds than to pay a quarter to walk in at the gate. He probably has changed his opinion now. A constable saw Zebbs making a flying leap off the fence and grabbed Zebbs to return him to the outside. The constable, on catching hold of the colored man, felt a pistol. He took it away from the man and then transferred Zebbs to the police station instead of to the outside of the fence. This morning Zebbs was found guilty of having a pistol on his person when arrested while committing an offence. Judge Houston ordered the pistol confiscated and imposed a fine of \$20 and costs, \$26.65 in all, or three months in jail. Zebbs paid the fine and probably holds the record for paying the largest price ever paid for a visit to the Great Penitular Fair, and Zebbs only had a five minute visit at that.

CHATHAMITE WON

At the Hamilton assizes yesterday before Justice Street, the case of Philip Vollmer vs. the Dowsell Co., of Hamilton, was tried and Mr. Vollmer, who resides here, won the suit with a sweeping verdict. This was an action for the infringement of plaintiff's patent covering washing machines known as Vollmer's Perfect and Premier. The defendants are making washing machines called Premier which plaintiff contended are an infringement on his patent. The judge granted an injunction restraining the infringement, referred the matter to the Master at Hamilton to take an account of the profits made by defendants on the machines manufactured, and also to take an account of the damages sustained by the plaintiff by reason of the infringement. The judge further ordered the destruction of all machines, patterns, etc., in the hands of the defendants and granted the plaintiff costs of the action and of the reference. O. L. Lewis appeared for Vollmer and Farmer and Lees for the defendant company.

gas fixtures—everything that is to be found in a first-class, up-to-date metropolitan store. Mr. Wanless has now been in business in Chatham for several years, and his business has been steadily on the increase until now he can point with pride to its extent and success.

TSCHIRHART'S EXHIBIT.

The whole centre space of the main building was occupied by the exhibit of Tschirhart's music store. This exhibit included a splendid display of the Newcombe piano and the Doherty organ. The Newcombe piano is made in Toronto. It has the verdict of the judges who investigated the merits of the different pianos exhibited at the World's Fair in 1893, at Chicago, and at the Paris Exposition in 1900. At the Paris Exposition the Newcombe piano got the gold medal.

The melody and sweet tones of the Newcombe piano attracted the attention of all who visited the main building, and Mr. Tschirhart was kept busy exhibiting the many merits of this excellent instrument. It is sufficient to say that such artists endorse the Newcombe as Agramonte, Bendix, Martens, Sir Arthur Sullivan, Torrington, Frageroll, De Carriell and Sir John Stainer. The Doherty organ made by the Doherty Co. of Clinton, also carried off the honors. Mr. Tschirhart has been very successful with the Newcombe pianos and is always ready and willing to show them at his ware rooms opposite the market square. That is the place also where you can secure all the latest popular songs and melodies at 10 cents per copy.

RECUPERATIVE EFFECT.

Considered with reference to its recuperative effect, there is not as much good in the ordinary vacation as there is in a single bottle of Hood's Sarsaparilla. The latter cost \$1; the former—well, that depends; how much did yours cost last year?

Hood's Sarsaparilla refreshes the tired blood, sharpens the dulled appetite, restores the lost courage.

Contradictory Evidence.

"He wouldn't invest 10 cents in anything even if you could show him proof that it would bring him a thousand times that much. His whole philosophy seems to be to hang on to a dollar forever after he once gets it!"

"But I thought you said just a moment ago that he was a poor stick?"

Honesty Vaccine.

"Doctor," said the wild eyed young man, "my wife is a kleptomaniac. Do you think you can do anything for her?"

"Well, we might try vaccination," replied the young doctor. "You know that keeps people from taking things."

Politely Put.

Biggs—Is Windig a man whose word one can depend upon?

Well, the Peels we have this year are the famous, thoroughly drained, Crosse & Blackwell Peels. When we say "thoroughly drained" we mean that they are not loaded with sugar, so as to make them weigh heavy and make the purchaser pay 20c. lb. for sugar. You will find this the case in the cheaper Peels. Buy the Best! You pay no more! Lemon, Orange and Citron Peel 20c. lb.
