Weymouth, Sept. 14, 1885.

DR NORTON: Dear Sir.—For twenty
five years I have been afflicted with Salt
Rheum, and last Summer my head and
port of my body was one fearful sore.
My husband employed at different times
three doctors, which failed to do me any
good. In August 1884 I commenced
taking your Dr O. W. Norton's Burdock
Blood Purifier, and after taking three
bottles, am chiriely cured, as I have not
the least symptoms of it-since. The
Blood Purifier has also cured Capt Brooks
of Dyspensia and Liver Complaint.

Yours truly, Mr. John Grant
ARTHUR BLACKBURN, of Newport
writes: "For five years I have been
afflicted with two Erysepelas Fever Sores
on my legs Have consulted all the
doctors far and near. All medicine failed
to do me any good until last fall I commenced to take Dr O. W. Norton's Burdock Blood Purifier. After taking seven
bottles my sores are entirely healed up
and I am as well as ever."

"February 9th, 1886."
