

THE ACADIAN

WOLFVILLE, N. S., JULY 29, 1892.

"Patriotism."

A great many people (who have a great deal to say as to the promotion of a town) use but little interest towards the prosperity of the town in which they live.

Every individual should have that patriotism for the town he lives in just as much as for the soul-stirring songs of the country of their nativity.

THE WELFARE OF THE TOWN we live in as there is for the country we praise. Size and wealth should not interfere with our patriotism.

IF YOU HAVE CHURCH CHOIRS, don't try to spread abroad that we have no organists in town that can play.

A GOOD WORD FOR THE PAPER, do the other thing and advertise. The paper is a reflection of the town; and shows it up as if in a looking-glass to be what is good, bad, and indifferent.

DON'T LISTEN TO CHOKERS, who will sit down and croak because they haven't energy enough to get up and hump themselves in the interests of the town.

WE are in receipt of a circular issued by the trustees of Victoria Park, Truro, in reference to a free public picnic to be held in the Park on Aug. 9th, to start a movement to erect a memorial to Hon. Joseph Howe.

BEAUTY UNADORNED IS ADORNED THE MOST.

JUST SO! But it detracts rather from the enjoyment of Nature's loveliness if circumstances are not particularly fit.

"The Land of Evangeline" is too exquisite to allow even of such drawbacks interfering with your being mesmerised by its exceeding beauty.

WINDSOR & ANNOAPOLIS RAILWAY have provided in The "Flying Bluenose" running to and from Halifax on and after July 6th, a train second to none on the American Continent.

PALATIAN PULMAN PALACE DRAWING-ROOM CARS & SALOON COACHES.

The perfection of comfort, coziness and convenience, with every luxury of equipment the heart of the most exacting tourist can demand.

Your eyes are fed by the charms of Longfellow's immortalized land; your inner man can derive similar enjoyment, as the buffet of each Parlor Car affords a copious selection of dainties and delicacies; and, whilst you can rest snug in your cozied-of arm chairs, at peace with man and Nature, content that life can confer no greater bliss.

The Parlor Cars have been specially built for the "Flying Bluenose" by the HULLMAN PALACE CAR COMPANY, and neither skill nor money has been stinted to make them unique of their kind.

THE REQUIREMENTS OF EVERY TRAVELER HAVE BEEN CONSIDERED.

The motto of the Management in constructing the "Flying Bluenose" Parlor Car Express has been to supply the maximum of comfort and the removal of every inconvenience attending on journeying by rail.

If this fixes you, write for further particulars, copy of exquisitely illustrated guide-book and time-table showing connections with every railway in Canada and the States.
