Items and correspondence on live local topics are invited. Address all communications and make all orders payable to Observer Limited, Hartland, N. B.

HARTLAND, N. B., APRIL 24, 1919

POTATOES

American potato growers are pushing forward with vigor the propaganda for the re-imposition of the duty on potatoes. They claim that the farmers have not a fair chance against Canadian competition. They claim that everything that goes into the production of potatoes in Canada is cheaper than in the United States. It is doubtful that if this question were thoroughly investigated that it would be found to be true.

It is fact that New Brunswick and Canadian farmers generally carry on their business on a much safer plan than the Aroostook farmers. The latter depends almost wholly upon the success of the potato crops and a bad year frequently puts many of them out of business. The Canadian farmers carry on such diversified farming, that they are reasonably sure of success in one way while another may totally fail.

Referring again to the potato market and the rather peevish demand from other writers for protective tariff it might be pointed out the Carleton and Victoria county farmers at all times receive from 25 to 1.00 less per barrel than our Aroostook neighbors.

It is presumed that one reason for this is advantage in freight rates—a car sent from Fort Fairfield to Boston, being delivered cheaper than a carload shipped from Hartland to the same point.

Aroostook farmers must not forget that the United States is not Canada's only market for potatoes. The Montreal and Toronto markets are much more depended upon and seem to be less liable fluctuation, while our shipments to Cuba, to Belgium, and to England have become renowned.

NEW BRUNSWICK WHEAT

Donald Fraser of Fraser Companies, Ltd., Plaster Rock, is among the visitors to the city today. Mr. Fraser in addition to his lumbering business, carries on extensive farming operations at Plaster Rock. Last season he produced 2,000 bushels of high grade wheat. He had it ground into flour at the mill at Bristol. The output amounted to about 350 barrels. Its superior quality was attested by the fact that it found a ready sale when placed alongside of high class brands.

Coldstream Notes

The roads in this section of the county are very bad. W. C. Craig has a crew of men working on the stone bridges.

The Women's Missionary Aid held an Easter entertainment in the church and realized the amount of over \$30.

Mr. and Mrs. George Shaw have moved to the farm recently purchased from Hardon Seely.

John Nevers has moved to Bannock.

A. C. Hayward and wife and T. J. Shaw have returned from overseas and are receiving a glad welcome.

Miss Mabel Hayward and Mrs. Walter Cook with family are spending a few days with their parents Mr. and Mrs. C. E. Hayward.

Miss Mabel Nevers has gone to Florenceville.

The Misses Ruth and Helen Estabrooks are spending their Easter vacation at their homes.

Our teacher, Miss Hill, is spending her Easter holidays in Houlton. Wellington Craig has returned home for the summer.

Gordon Noble of Woodstock is visiting at the home of Scott Lewis. The young people's mission

club meets at the home of Mrs. S. C. Estabrooks every two weeks. Miss Abbie Drake spent Sunday at home.

RHEUMATISM CAN BE CURED

The Trouble is Rooted in the Blood and Can Only be Cured Through the Blood

In the days of our grandfather's rheumatism was thought to be the unavoidable penalty of middle life and old age. Almost every elderly person had rheumatism as well as many young people. Medical science did not understand the trouble—did not know that it was rooted in the blood. It was thought that rheumatism was the effect of exposure to cold and damp, and it was treated with liniments and hot applications, which sometimes gave temporary relief, but did not cure the trouble. In those days there were thousands of rheumatic cripples. Now medical science understands that rheumatism is a disease of the blood and that with good, rich, red blood any man or woman of any age can defy the trouble. Rheumatism can be cured by killing the poison in the blood which causes it. For this purpose the blood-making, blood-enriching qualities of Dr. Williams' Pink Pills is becoming every year more widely known, and it is the more general use of these pills that has robbed rheumatism of its terrors. In proof of Dr. Williams' Pink Pills to cure this trouble, Miss Jennie Stockdale, Hall's Bridge, Ont., says: "Two winters ago I was taken with a bad attack of rheumatism, and was in bed for over two months, most of which time I could not sleep or enjoy rest day or night. The trouble also affected my nerves, which were very bad. I tried several remedies but did not get any help from them, and then, acting on the advice of a friend, I decided to try Dr. Williams' Pink Pills. I soon felt that the pills were helping me, and after taking eight boxes I am glad to say I was able to go about again as usual, and am now enjoying the best of health with plenty of good, rich blood which makes me feel like an altogether different person. I earnestly advise those suffering from rheumatism, nervousness and kindred troubles not to delay using Dr. Williams' Pink Pills as, like myself, I am sure they will find a cure through their use."

You can get Dr. Williams' Pink Pills through any medicine dealer or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

Kidney Disease Overcome

Mr. James Prouse, cattle dealer, Shebo, Sask., writes: "For about ten years I suffered from kidney disease, at times I was bad with backache, and derangements of the digestive organs. During that time I was treated by four different doctors. One day I read in Dr. Chase's Magazine about the Kidney-Liver Pills and began to use them. Altogether I used six boxes. All I need say is that I feel well now and attribute this condition to the use of Dr. Chase's Kidney-Liver Pills."

Perth Locals

Mr. and Mrs. E. W. Cox of Kilburn. Miss Ethel McCrea, daughter of Mr. and Mrs. B. J. McCrea, who is attending Normal school in Fredericton is spending the holidays with her parents. Her friend, Miss L. Moors of Albert Co., accompanied her. They will return to the city today (Tuesday).

Miss Phoebe Grant of Kilburn has accepted a position as post mistress here.

Dr. A. Wade has recently opened up his dental parlors on South Main street.

Our barrister, Mr. Davidson, was called to his home in St. John last week on account of a death in his family.

Many Perth friends regret to hear of the death of Mrs. H. Stevens, which took place in Andover last week. The family have the sympathy of all in their bereavement.

F. Stottard who has been running the blacksmith shop, formerly owned by the late Wm. Anderson, expects to take a position elsewhere. It is expected that another blacksmith will make charge in a short time. Mr. and Mrs. Stottard have made many friends during their stay here who regret to have them leave.

S. Craig and family of Maine, are in town, and are living in the residence owned by Mrs. Harriett Lurie.

J. W. Niles, Aubrey Gilson and B. C. Palmer went to St. John Wednesday on business. The two latter returned home on Friday, Mr. Niles remained till Saturday.

Mrs. Moffat and daughter Mrs. Carl Gardiner, who have been spending the winter with their daughter and sister, Mrs. George Morehouse, returned to their home in Kilburn last week, as Mr. Gardiner is expected home from the front very soon.

Herbert McDougall of Arthurette was in town last week, the guest of his sister, Mrs. A. M. Bird. Mrs. J. F. Tweeddale and Miss Tweeddale, were in the village last week on their way to their home in Arthurette. Mrs. Tweeddale had been spending some time in Boston with relatives, and Miss Tweeddale had been in Fredericton.

Master Gordon Bird returned on Monday, from a visit to his grandparents, Mr. and Mrs. George McDougall of Arthurette.

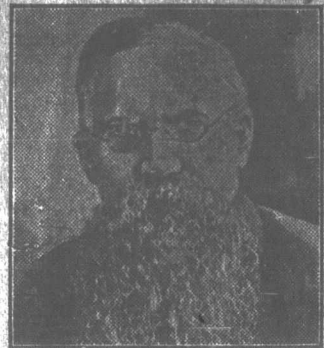

Invitations are out for a Victory ball, at the Opera house, Andover, on Thursday evening.

Mr. and Mrs. George Clark entertained friends at dinner on Tuesday evening.

Miss Christine Anderson of this colony, is boarding at Mrs. D. W. Appleby's and going to school.

A CRIPPLE FOR THREE YEARS

Happier in Bed With Rheumatism Until He Took "FRUIT-A-TIVES"

MR. ALEXANDER MUNRO

R.R. No. 1, Lorne, Ont.
"For over three years, I was confined to bed with Rheumatism. During that time, I had treatment from a number of doctors, and tried nearly everything I saw advertised to cure Rheumatism, without receiving any benefit."

Finally, I decided to try "Fruit-a-tives". Before I had used half a box, I noticed an improvement; the pain was not so severe, and the swelling started to go down.

I continued taking this fruit medicine, improving all the time, and now I can walk about two miles and do light chores about the place."

ALEXANDER MUNRO.
60c. a box, 6 for \$2.00, trial size 25c. At all dealers or sent postpaid on receipt of price by Fruit-a-tives Limited, Ottawa.

Our teachers, Miss Pearson and Miss Anderson, spent the holidays at their homes in Hartland and Canterbury.

Samuel Hutchinson presents William Russell in

"The Man Who Would Not Die"

A Stirring Drama in 5 Acts

Twenty-Two Years of Seed Value

There has never been any time during all these many seasons when we have not been able to supply the best in EWING'S, RENNIE'S and FERRY'S vegetable and flower seeds. We have served well in the past and will gladly serve just as well in the future. We carry over very little of last year's seeds and what we have is guaranteed to produce well if given the right soil, moisture sunshine and good care.

National Poultry Tonic and National Stock Food are goods every farmer should use right now.
