G.W.V.A. PICNIC WAS A FAIR SUCCESS

Crowd Was Not as Large as Was Hoped For—Very Pleasant Time

The day for the G. W. V. A. Picnic—Monday—could not have been finer but the attendance was rather disappointing. There were all kinds of amusements and the crowd enjoyed itself. The most interesting event was a ball game, played between the junior team and the old timers. A remarkable feature of this game was that with a limited amount of practice they had five innings played before either side scored. It was a real good game of ball. The merry-go-round attracted a good deal of attention and the entertainment in the evening drew a full house.

The Veterans netted about \$200 which will go toward building the hall.

Death of William Briggs

The people of Bristol and Gordonville were shocked to hear on Thursday that William Briggs of Vermont, formerly of Bristol, was dead. He underwent an operation for appendicitis but died shortly after. The body was brought home Saturday accompanied by his sister, Mrs. Wm. Wallace and Wm. Wallace. The funeral was held in the Baptist church at Gordonville on Sunday. The service was conducted by Rev. H. O. Mellin. The pall bearers were George E. White, Percy White, Wellington and Kenneth Lovely. The funeral was the largest and saddest one ever known in Gordonville and much sympathy is felt for the bereaved ones. William was the son of John Briggs of Gordonville. He was well liked by all who knew him and made friends wherever he went. His end was serene and peaceful faith in God. Besides his parents he leaves three sisters and two brothers to mourn his loss. They are: Mrs. Edward Dyer, Bristol, Mrs. Frank Lovely, Wapake, and Mrs. William Wallace of Vermont. The brothers are Henry of Wapake and Gordon of Bristol.

Parker-Taylor

The home of Rev. A. Hatfield at Bath on Sept. 7 was the scene of a pretty event when Miss Maud E. Taylor of Beechwood, was united in marriage with William N. Parker of Bath. The bride was unattended and becomingly attired in a travelling suit of navy blue with hat to match. After the ceremony the happy couple motored to the bridegroom's home at Bath, where they will reside. Friends of the contracting parties join in wishing them years of health and prosperity.

AUCTION AT CENTREVILLE

There will be a big auction sale of farm machinery, including double wagon, two single wagons, one express wagon, one long sled, set of bob sleds, sleigh, one set of double harness, etc., on September 22 at 2 p.m. Sale at Les Owen Nicholson's. N. B. Phone 14-61

Accused of Burning a Barn

John Cassidy of the Parish of Richmond, charged with burning a barn of John Rush, was taken by Sheriff Power to the Police Magistrate at Woodstock and held for trial at Supreme Court.

VOCATIONAL SCHOOL NOTES

The home is said to be the largest factor in a man's success and while both the man and the woman share in the making of the home, in a large measure, the success of the home depends upon the woman. Home Making may be said to be our most important profession. The time is rapidly passing when it can be said that "anybody can be a home maker." There was a time, you will remember, when unthinking people asserted that "anybody can farm." The fallacy of that statement has long ago been proved and to-day we know that to be a successful farmer requires considerable intelligence. We find that the best farmers are those who are making a careful study of their work and are adopting modern practices in farming. Just so with home making. If it is to be successful it must be studied and improved methods must be adopted. Many home makers are coming to realize that if they are to do their work as well as it can be done they must read and study and think about it. While women still appreciate a recipe for chile sauce and directions for making a crocheted pattern, they realize that these are but trivial matters compared with the more weighty problems which properly concern the efficient home maker. Undoubtedly the home maker of the future will take her place beside the progressive business man or farmer in studying her work and taking advantage of the best information that science and art have to offer in making the home a healthy, satisfying place in which to live. Realizing this, the Carleton County Vocational School offers a complete course in Home Making and Domestic Science, commencing September 20th and finishing June 30th, 1921, for young women between the ages of 14 and 23. This course is FREE to residents of Carleton County, and is designed to meet the educational needs of all prospective home makers. If it is your intention to enroll for this course you are urged to immediately make application, as the time of commencement is fast approaching. All correspondence pertaining to the Home Making Course, or to the Course in Agriculture and Farm Mechanics, which starts on October 11th, should be addressed to R. W. Maxwell, Director, Woodstock, N. B.

Methodist District Meeting

The first District meeting of the present Conference year was held in Woodstock Methodist church on Friday, Sept. 3. The gathering was presided over by the chairman, Rev. F. A. Wightman. All the ministerial members of the district were in attendance, namely: Rev. M. E. Conron, Woodstock; Rev. W. J. Donville, Rev. E. C. Turner, Debec; Rev. H. Harrison, Jacksonville; Rev. J. K. King, Hartland; Rev. Hugh Miller, Centreville; Revs. F. A. Wightman and Thomas Pierce, Florenceville; Rev. Charles Flemington, Andover and George Readman, Canterbury. In addition a number of laymen were in attendance. The District was also favored with the presence of three prominent ministers representing various interests of the church's work. These were the President of the Conference, Rev. D. R. Chown, B.A. representing the Conference at large. He delivered a very timely address on the spiritual needs and possibilities of the church. Following him came Rev. J. W. Deane, B.A. of Toronto, who spoke on continuing the spiritual objectives of the National Campaign. Rev. H. B. Thomas was also present and spoke on presenting the educational institutions at Rockville. Increased room and increased endowments are pressing necessities. An effort will be made to raise the sum of \$500,000 in the near future. This the District pledged its moral support and co-operation. Rev. M. E. Conron, M.A., gave a very helpful address on the midweek service.

Methodist District Meeting

The routine business of the District was largely taken up with the consideration of financial matters and plans for the future. It was shown that all the self sustaining circuits had decided to raise the new minimum for ministerial salaries of \$1,800. These include Woodstock (\$1,800), Debec, Jacksonville, Centreville and Florenceville. The mission circuits were recommended to receive grants to cover their deficiencies. Allocations were also made for the different connexional funds among the circuits. A considerable increase in missionary offerings is asked for. It was reported that the N. B. and P. E. I. Conference had made, relatively, the best record among the 12 Conferences of the Dominion and the Woodstock District stood at the top of the Districts. Rev. M. E. Conron, Rev. Hugh Miller, Rev. Thomas Pierce and George Readman were welcomed as new members of the district.

A BIG VICTORY WON AT HOULTON

Hartland Bass Ball Team Wins Two Games With Big Score

At Houlton on Saturday, Hartland Ball Team won its crowning victory when in the forenoon the boys defeated Houlton team in a score of 15 to 4, while in the afternoon they whipped the best team that Houlton could gather together in eastern Maine. The score was 11 to 5.

Both games were fast and furious and at no time did either of the opposing teams have any chance of victory. Both teams, however, were full of energy and played good ball, but they stood no chance against the star combination from Hartland. Paynter pitched both games, a total of 13 innings.

On Monday Hartland team went to Houlton and defeated that team 6 to 3.

Carleton Co. S. S. Association

At the recent meeting of the Carleton Co. Sunday School Association officers were elected as follows:

Ernest Carey, Bristol, Pres.
Clyde Rideout, Hartland, vice-pres.
Clarke A. McBride, Centreville, sec.

E. F. Dickinson, Woodstock, Adult Div. Supt.
Mrs. S. J. Baker, Bath, Home Dept.
R. E. Hagerman, Hartland, Temperance Dept.
Miss Ethel Shea, Grafton, Missionary Dept.
C. W. Manser, Woodstock, Teacher Training Dept.
J. H. Wallace, Cloverdale, I. B. R. A.

PRODUCE MARKET

Owing to the wet weather few potatoes have been marketed during the past week. So far as digging has progressed potatoes have been turning out a fair average. Today dealers are paying \$3.50 per barrel which leaves the farmer a very small margin of profit owing to the high cost of seed, fertilizer and labor. Turnips are bringing 75 cents. There is a continued strong demand for butter and eggs which bring, respectively, 55 and 60 cents.

York-Wiley

A very pretty wedding was solemnized at the home of Edward Wiley, Divide, at 2 p.m. on Wednesday, Sept. 8, by Rev. N. Franchette, when Miss Elizabeth Wiley of Divide and Wendall J. York of Woodstock were united in Holy Matrimony.

The bride, who was given away by her father, wore a beautiful grey crepe de chine gown and carried a shower bouquet.

Mrs. Hannington at the organ played selections appropriate to the happy occasion.

After the ceremony a dainty luncheon was served.

The bride and groom were the recipients of many beautiful presents. Only immediate relatives were present.

Expected this week at Carr's—black and colored yolks, various shades; also new prints, dress goods, etc.
