Fibroid Tumors Cured.

A distressing case of Fibroid Tumor, which baffled the skill of Boston doctors. Mrs. Hayes, of Boston, Mass., in the following letter tells how she was cured, after everything else failed, by Lydia E. Pinkham's Vegetable Compound.

Mrs. Hayes' First Letter Appealing to Mrs. Pinkham for Help:

"DEAR MRS. PINKHAM:—I have been under Boston doctors' treatment for a long time without any relief. They tell me I have a fibroid tumor. I cannot sit down without great pain, and the soreness extends up my spine. I have bearing-down pains both back and front. My abdomen is swollen, and I have had flowing spells for three years. My appetite is not good. I cannot walk or lie on my feet for any length of time. 'The symptoms of Fibroid Tumor given in your little book accurately describe my case, so I write to you for advice.'—(Signed) Mrs. E. F. HAYES, 252 Dudley St., (Roxbury) Boston, Mass.

Note the result of Mrs. Pinkham's advice—although she advised Mrs. Hayes, of Boston, to take her medicine—which she knew would help her—her letter contained a mass of additional instructions as to treatment, all of which helped to bring about the happy result.

"DEAR MRS. PINKHAM:—Sometime ago I wrote to you describing my symptoms and asked your advice. You replied, and I followed all your directions carefully, and to-day I am a well woman.

"The use of Lydia E. Pinkham's Vegetable Compound entirely expelled the tumor and strengthened my whole system. I can walk miles now.

"Lydia E. Pinkham's Vegetable Compound is worth five dollars a drop. I advise all women who are afflicted with tumors or female trouble of any kind to give it a faithful trial."—(Signed) Mrs. E. F. HAYES, 252 Dudley St., (Roxbury) Boston, Mass.

Mountains of gold could not purchase such testimony—or take the place of the health and happiness which Lydia E. Pinkham's Vegetable Compound brought to Mrs. Hayes.

Such testimony should be accepted by all women as convincing evidence that Lydia E. Pinkham's Vegetable Compound stands without a peer as a remedy for all the distressing ills of women; all ovarian troubles; tumors; inflammation; ulceration; falling and displacements of the womb; backache; irregular, suppressed or painful menstruation. Surely the volume and character of the testimonial letters we are daily printing in the newspapers can leave no room for doubt.

Mrs. Hayes at her above address will gladly answer any letters which sick women may write for fuller information about her illness. Her gratitude to Mrs. Pinkham and Lydia E. Pinkham's Vegetable Compound is so genuine and heartfelt that she thinks no trouble is too great for her to take in return for her health and happiness.

Truly it is said that it is Lydia E. Pinkham's Vegetable Compound that is curing so many women, and no other medicine; don't forget this when some druggist wants to sell you something else.

\$5000 FORFEIT if we cannot forthwith produce the original letters and signatures of above testimonials, which will prove their absolute genuineness.

Lydia E. Pinkham Medicine Co., Lynn, Mass.
