HALL'S HARK RENEWER has steadily grown in favor, and spread its faine and usefulness to every quarter of the globe. Its unparal-cied success can be attributed to but one eied success can be attributed to but one muse: the entire julfilment of its promises. The proprietors have often been surprised at the receipt of orders from remote coun-tries, where they had never made an effort for

its introduction.

The use for a short time of HALL's HAIR

all impurities, cures all humors, fever, and
dryness, and thus prevents haldness. It
