"Silver Plate that Wears."
"1847 Rogers Bros."

We All Use Them
Perhaps you have seen their best days and you have about made up your mind to purchase new. You think you are sure if you ask for and receive "Rogers goods" it will be all right. You are not, however, for there are many grades of so-called "Rogers goods." There is only one "1847 Rogers Bros." brand of Knives, Forks, Spoons, etc. (note "1847"), which is the original and genuine. This same brand was used by our grandparents and is the only "Rogers" silverware which has been in use since the year 1847. Fictitious brands of "Rogers" spoons, etc., were unknown till many years later. Be sure the prefix "1847" is stamped on every article and you will get original quality.
