Trenching at Gallipoli

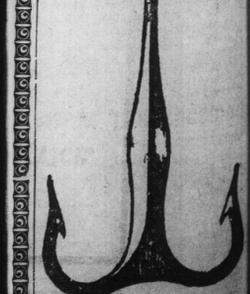

By JOHN GALLISHAW.

This is a personal narrative of the Royal Newfoundland soldiering the disastrous Dardanelles campaign. An adventure story, stronger than fiction, as well as a reliable account by an unusually keen participant in the gigantic failure at Gallipoli. The book, moreover, gives an extraordinarily vivid impression of trench fighting and trench living like.

This book should be read by every one of us. Everybody can afford. Price 75c. Postage 4c.

Fishermen, now is the time to cure O. Mustard's Jiggers or Hooks. They are bright, small and act as a minnow, attach small swivel to make it spin. Just try this famous Norwegian fish killer, any ordinary lead sinker will suit, but place swivel above the sinker and the other below to keep your line from tangling.
