Do You Perspire Freely? Many people are acutely sensitive to the odors arising from excessive perspiration, and yet under no circumstances is it wise to completely check perspiration for it is essential to health—many of the impurities of the body are gotten rid of by perspiration. O'MARA'S PERSPIRATION DEODORANT does not unduly check perspiration, but when properly applied it keeps the body comfortable and sweet—it counteracts body odors. 35c. a Jar.
