DRESS and MANTLE MAKING

—AT—
The Fashionable West End.

To the Ladies:
We have during the past two years com-
pleted the establishment of a Dress
MAKING DEPARTMENT, in connection
with our other branches. The difficulty
of obtaining a suitable person to take
charge, has, up to the present time, only
prevented us from doing so.

We have now great pleasure in infor-
ming you that we have secured the serv-
ices of Miss MORRISON, of Toronto, a lady
of first-class abilities, highly recom-
mended to us, and we believe eminently
qualified to give complete satisfaction in
every respect. Miss Morrison has for
the past ten years occupied the position
of cutter and finisher in one of the leading
Fashionable Dress making Establish-
ments in the City of Toronto.

Miss Morrison is also an experienced
Mantle maker, and all orders entrusted
to her will be executed in a style equal
to anything that can be obtained in the
largest cities.

Orders for these departments will be
received and after Monday next, the
4th of May.

A. O. BUCHAN,
Fashionable West End Dress, Mantle
and Millinery Establishment.

Guelph Evening Mercury
WEDNESDAY EVENING, MAY 21, 1873

Town and County News.
SALE.—It will be seen by previous
columns that the sale of the Agricultural
Implement Works and other property
of Thain, Elliott & Co. takes place to-
morrow.

BASE BALL CLUB.—Mr. John Anderson
has for sale photographs—carte de visite
and cabinet size—of the Maple Leaf
Base Ball Champions. Both sizes for
sale cheap.

The people of Acton have taken the
necessary steps to have their village in-
corporated. In the matter of sidewalks
alone they expect that its incorporation
will be a great benefit to them.

SERMON THIS EVENING.—The Rev. Dr.
Wilkes, of Montreal, will preach this
evening in the Congregational Church, in
the interest of the Congregational Col-
lege, in Montreal. Service at half-past
7 p.m. The public are cordially invited.

CANNED FISHERY BODIES.—Mr. Hugh
Walker has received a lot of Finnan Hal-
dies put up in hermetically sealed cans.
They are put up by Mr. McEwan, cele-
brated for canning this favorite fish.
These Haddies put up in cans are in all
respects as good as those sold whole dry.
An entirely different programme replaces
them the lover of Finnan Haddies can
now have them all the year round.

RETURN OF THE FAVORITES.—Mr. and
Mrs. Geo. Case will make their final ap-
pearance in Guelph this Wednesday eve-
ning, May 21st, when they will present
an entirely different programme replace-
d by the choicest impersonations in Grace
Egerton's repertoire. Since visiting
Guelph last month the artists have made
an extended tour through the West,
completely taking the towns by storm,
and so popular are the large audiences
that return visits have been promised at
an early date. We feel assured that the
return visit to Guelph will even eclipse
the last reception of the talented lady,
and that a bumper house will accept the
final offering of the favorite. The Toronto
Globe of Friday, April 12th, speaks thus
on their last appearance in that city:—
"Mr. and Mrs. Case gave their last enter-
tainment of their present visit last night.
Notwithstanding the very unfavorable
weather a large audience was present.
The programme was one of great attrac-
tion, containing all the latest and most
of the lady impersonations. Although
under the disadvantage of having a severe
cold, she acquitted herself in a manner
that secured applause throughout the
evening. In her imitation of Sims
Reeves, she sang the 'Death of Nelson,'
in a style that no larger audience than
the reputation of the gifted original, and
her 'Sairy Gamp' was all our fancy
pointed her. Mr. Case supplied several
well-executed solos on the violin and con-
certina. The couple signified their in-
tention of re-appearing before long."

POLICE COURT.
Before T. W. Saunders, Esq., P. M.
Wednesday, May 21.
Henry Miller, charged by Constable
Kelly with being drunk on Quebec street,
in being the first offence, and being a
stranger in town, he was discharged.

**Non delivery of Letters between Elora
and Guelph.**
To the Editor of the Guelph Mercury.
Sir,—No part of Her Majesty's service
requires careful and discreet officials
more than the Post Office Department,
in order to secure safe transit, and del-
ivery of mail matter.

Unfortunately there is either careless-
ness, or something worse, either in Guelph
or Elora, as several letters have failed
to reach their destinations.

For instance, some time ago a young
man addressed a letter to the undersigned,
enclosing eighteen dollars, to pay a
doctor's bill. On his way to his work in
the morning, he dropped the letter into
the Post Office, (not registered as the
office was not open,) thought there could
be no danger, as there was no office le-
tween. The letter, however, never can
be heard.

A neighbor of mine, sometime since,
sent a letter from Elora to Guelph, con-
taining a few dollars. That also failed to
reach its destination.

Several other letters that I have written
have likewise failed in reaching their
destination.

One young man in Guelph in order to
secure his letters, is obliged to leave
them at the Post Office, and in the hands
of the ministers of the Town, or his em-
ployer.

Wherever the fault is, it should be
remedied. Perhaps a word in your paper
may have some effect on the delinquents.
I am Sir, yours, &c.,
SARCEL ACOEN.

Fikington, May 20, 1873.

SUICIDE EXTRAORDINARY.—The London
Advertiser says:—A correspondent writes
a very pathetic letter to the effect that a
worthless dog stuck its head under the
wheel of a railway car on Saturday last,
and was crushed all to smash.

New York city has 8,403 places where
liquor is sold, or one to 119 of the popula-
tion.

Queen's Birthday in Guelph.

Saturday, the 21st inst., will be cele-
brated by the inhabitants of Guelph and
vicinity with all the usual eclat and loy-
alty. Every preparation has been made
to make this, in all respects, the most
successful celebration which Guelph has
ever witnessed, and we are confident,
weather permitting, the general verdict
will be in accordance with the above in-
timated intention of the "officials."

Quite a large sum has been subscribed
and collected for prizes while the Town
Council has voted \$100 for the purpose
of furnishing the school children with re-
freshments. The auspicious events of
the day will be ushered in by a salute of
21 guns at 7 o'clock a.m.

At 9 precisely the school children are
expected to meet at their respective
schools, when buns and oranges will be
distributed, after which they will march in
procession to the band stand on the
Market Square, and sing the National
Anthem and other pieces selected for the
occasion. It is desirable that strict
punctuality be observed in this portion of
the day's events.

At 9 also the annual matches of the
Guelph Rifle Association will take place
at the Rifle Range. There are three
matches, which it is expected will afford
some good sport.

At 10 a.m. a Regatta, under the aus-
pices of the Guelph Boating Club, will
take place on Allan's Dam, when about
\$50 dollars will be given in prizes. There
are six distinct races, open to all comers.
It is anticipated that this will be one of
the greatest attractions of the day.

The County Temple of the I. O. of G.
T., is to meet in the Good Templars' hall
at 10 a.m., for the transaction of busi-
ness connected with the temperance
cause in the County of Wellington.

The next event upon the programme is
the Games and Races which begin at
about 11 o'clock. A large sum will be
given as prizes at these sports which
comprise the usual jumping, running, &c.,
and last, but not least, catching the
greased pig, for which the prize is the
pig itself.

At 3 o'clock a match game of Base
Ball will be played on the Maple Leaf
Base Ball ground, near the Great Western
Station, between the Dantless Club of
Toronto, and the champions of Canada.
It is now known to the evening entertain-
ments which of necessity will take place
at or near the same time.

Mr. H. K. Matfield will give a Grand
Vocal and Instrumental Entertainment in
the Town Hall, when he will be assisted
by several well known ladies and gentle-
men of acknowledged talent among whom
are Mrs. Oiler of Fergus, and Miss
Nelsons of Brantford.

A Grand Promenade Concert will be
given in the Drill Shed by the Ventil-
flora Band conducted by Mr. Valo.—
Programme to consist of duets, solos, and
various instrumental pieces by both
brass and string bands.

A Public Temperance Meeting will be
held in the Good Templars' Hall at 8 p.
m. to which all are cordially invited.
Speeches, Music, and recitations will
form the programme.

The Market buildings and Town Hall
will be illuminated and the day's pro-
ceedings will conclude with a bonfire and
a grand display of fireworks.

An excellent Brass Band will furnish
music during the day.

It will be seen by the above programme
that Guelph is really determined to
outstrip all her neighbours in honoring
the natal day of Her Most Gracious
Majesty Queen Victoria and make it so
attractive that people from all quarters
will "come and see." Remember the
reduced fares on the Great Western both
ways.

THE DAY IN HESPELER.
As will be seen by our correspondence
elsewhere the 21st will be celebrated in
Hesperel with the greatest enthusiasm.
There will be boat races, a grand parade
of the Calithumpians, games and sports,
in the afternoon music by the Preston
Band, and at night a grand ball and
supper in the Drill Hall.

THE DAY IN ACTON.
The local Biges in Acton intend to
celebrate the day in a befitting manner.
There will be games and races, for which
liberal prizes will be given. Also a
grand ball, and at night a grand ball and
supper in the Drill Hall.

GOD SAVE THE QUEEN.
The Children and the Queen's Birth-
day.

THE CHILDREN OF THE MERCEY.
Sung—Being present at the Drill Shed
last 24th May, where the pupils of the
public schools had congregated to sing
and receive refreshments, as is custom-
ary for them to do on that day, and no-
ticing the disgraceful conduct of a num-
ber of rough boys who, instead of wait-
ing till they were served by their teach-
ers, surrounded him like a pack of fan-
tastic wolves, and in spite of his remon-
strance and efforts to keep them at bay,
completely gained the mastery over him,
and succeeded in helping it himself. I
would suggest that some means be adop-
ted on such occasions whereby each
would receive their due share in a quiet
and orderly manner, and not allow the
trade and unmanly to get a double
portion, while the retiring and better
behaved get little or nothing.

Yours, &c.,
OBSERVER.
Guelph, May 21, 1873.

TERRIBLE EXPLOSION.—The Acadia
Lumber Works at Waverley, exploded on Saturday
night. The report was heard in the city,
but the cause was not known until Sun-
day evening. The effect of the explosion
is terrific. Trees surrounding the build-
ings are uprooted, and the ground and
stones overturned within a radius of three
hundred feet. The machinery is scathed
in places, and the debris of the ruined
buildings and the manager's residence in
the vicinity of the works were more or
less damaged. The explosion was caused
by the drying house, where four tons of
powder were stored, catching fire from
the furnace, where ashes were left smol-
dering when the workmen left the mill.
This is the second explosion within two
years. Fortunately, there was no loss of
life.

ASSESSORS FRAUDS.—The charge against
the Assessors, in Brantford, which has
been pending before the Police Magis-
trate, was dismissed by the advice of the
County Attorney, on the ground that the
magistrate had no jurisdiction in the
matter. The papers were ordered to be
sent up, and it is intended to prosecute
the case at the Quarter Sessions.

THIS MORNING'S DESPATCHES

Khiva Not Fallen.
Arrival of the Shah of Persia.

London, May 20. — A despatch from
St. Petersburg says there is no truth in
the report that Khiva has been taken
and the Khan has fallen into the hands
of the Russian troops.

St. Petersburg, May 20.—The Shah
of Persia arrived at Moscow yesterday.
Upon entering the city he was met by an
immense concourse of people, who wel-
comed him with the greatest enthusiasm.
The statement that the Shah was com-
panied on his European tour by
three of his wives, is not true.

Pittsburg, Pa., May 21.—Yesterday
afternoon, the Superintendent of the
Pennsylvania Railway turned over to the
Pittsburg and Connellsville Railway Co.,
the entire control of the Mount Pleasant
and Bradford Road, as ordered by the
decision of the Supreme Court.

Immigration Report.
—The Immigration Committee of the
House of Commons have presented their
report. They report that during
the past eighteen months the
Department have circulated 1,850,000
copies of pamphlets on the subject
of immigration besides about 1,000,000
supplements of newspapers in
Germany, and a large number of pos-
ters in the United Kingdom. Six
thousand copies of a large map of
the Dominion had also been distrib-
uted in Great Britain and the Con-
tinent of Europe; and a copy on a
smaller scale is being republished in
England. The number of immigrants
who settled in the Dominion in 1872
was 36,578, showing an increase of
8,805, or 25 per cent, over the pre-
ceding year. The increase promises
to be greater this year. From the
1st January to the 1st May, 1873, the
number of immigrants who have ar-
rived to settle in Canada is 8,340,
compared with 4,619 for a corre-
sponding period of 1872, and informa-
tion received by the Department
from its agents would seem to indi-
cate that this increase will be main-
tained throughout the year. That
there would be no difficulty in find-
ing employment for this increased
emigration was evident from the fact
that the returns to the circular issued
by the Department gave 168,298 as
the number of persons who can find
employment this year in Canada.
The Department has offered induc-
ements to passenger brokers to send
immigrants to Canada in preference
to the Western States by neutralizing
the interest they have hitherto had
in selling tickets to the farthest
point where a commission was se-
cured to the land transport of immi-
grants as well as on the ocean voyage.
The Committee recommend the en-
largement of the accommodation for
immigrants at Quebec, and suggest
that some better site than the pre-
sent one, and not so near the railway
station, should be secured. They
also recommend that free transport
be granted to indigent immigrants
going to Montreal, and that the lands
in the North-west be sold only to ac-
tual settlers. The appointment of
an immigration agent at Fort Garry
to look after immigrants on their ar-
rival is suggested.

Hesperel Items.
For Scotland.—Mr. Robert Bryden
left here by the 11:20 train on Thursday,
for Quebec, en route for the home of his
boyhood. He sailed by the "Circassian"
on the 17th inst. Mr. William Ross and
family, of Paislieh, are going out in the
same ship, to visit childhood's scenes in
the Orkneys. A pleasant trip and safe
return to them.

QUEEN'S BIRTH-DAY.—The loyal in-
habitants of the village are, as hereto-
fore, going to celebrate Her Majesty's
natal day, by games, boat-races, &c., and
expect crowded streets. Messrs. Randall
Fair & Co., Schofield & Co., George Hes-
peler, A. Bryden, Andrew Jardine, and
Chas. Karch, will shut up their respective
mills and shops by a general holiday,
which Constable Peck has been looking
after in earnest. Lately, are to be closed
at 7 p.m. sharp, or the landlords will
have to redress the public grievance be-
fore Charles Karch, J.P., on Monday
morning.

REAL ESTATE.—The congregation of
the Presbyterian Church have purchased
a very desirable lot in the Corwell Sur-
vey, and purpose erecting a parsonage
site hereon.

CHANGES.—Mr. James Baker, formerly
of Baker's Hotel, has purchased the old
hotel on the corner of Guelph and Queen
streets. He is to get possession on the
first of June. Mr. John Fields, the pre-
sent occupant, goes across the street to
the Devitt House. Mr. Devitt retires to
private life.

Hesperel, May 19th, 1873.
This is the effusion of *The Mail*
and the document held by the
trustees—which were impounded by
the Pacific Railway Investigation
Committee.—The "Herald" are stated to
bring a notable freedom with the
names and prices of individuals; but
nobody ventures to assert that they
implicate any member of the Govern-
ment." We have the verdict—"un-
warrantable freedom on the part of
Sir Hugh Allan."

The first patents (42 in number)
ever issued for lands sold by the
Dominion Government in Manitoba or
the North-West Territories, were
signed and despatched on Saturday
last. The first was issued in favor of
Mr. Angus Morrison, M.P., and the
second in favor of Vice Chancellor
Blake. This Shows that the Ontario
has sanguine hopes of the future
progress of that fertile portion of
the Dominion of Canada.

About 300 men were thrown out
of employment by the burning of the shops
of the Chicago, Burlington & Quincy
Railroad, at Aurora, Illinois, on Sunday.

DOMINION PARLIAMENT.

Ottawa, Tuesday 20.
As soon as the House had assembled
Sir John Macdonald rose, and amid
the deepest silence of the House read a tele-
gram from Sir John Rose to the effect
that Sir George Cartier had died in Lon-
don this morning at six o'clock. He had
suffered a relapse since Tuesday last. The
telegram further announced that the re-
mains of the deceased baronet would be
forwarded to Quebec.

Hon. Mr. Langevin then rose, and
speaking in French, paid a warm tribute
to Sir George Cartier's memory. He
Messrs. Mackenzie, Dorion and Cauchon
having said a few words—the House
proceeded to the orders of the day.

On the third reading of the Inspection
Bill a discussion took place, with respect
to the compulsory inspection of butter.
As the measure now stands, any city,
town, or village that applies to the Gov-
ernment may have a Butter Inspector ap-
