2 DAY'S BLOCK,

THE NOTED TEA HOUSE

Guelph, August 1st, 1874.

To the Public.

I take this opportunity to let my old friends and customers know that early this Fall I intend opening up one of the most extensive and varied stocks of Staple and Fancy Dry Goods to be seen in Ontario. I have had erected for my own special retail business a most complete arranged store, and from my long experience in the mercantile business, I feel and know that I will present for the inspection of my old patrons and others not only the most choice selection of Fancy Goods, but goods that will in reality be of such a character as to give to the purchaser the most entire satisfaction. The value will form one of the most important features of my establishment; the fact of going direct to the fountain head for my whole stock, and buying all for the ready money, and in addition having no old stock to palm off, is of itself a positive guarantee that my establishment will present inducements to the purchaser that none other in Guelph can approach. I earnestly request my old friends and customers to pay a visit to my establishment, when the old motto that I used for so many years to their advantage will again be adopted, viz: the best goods in the trade at the smallest possible profit. Good goods and Cheap goods. One price and no abatement. No misrepresentations, and the interests of the public doing business with me strenuously watched.

Yours truly,

JOHN HOGG.
