The man who has been paying \$20 per month for his house has spent the sum of \$2,400.

How much have you paid out in rent?

Then how much of that is

coming to you now? Not one cent, and as long as you pay rent, you get the use of your house, but nothing more. You have nothing invested in the house you make your home, and if you want to move, or have to move, there is the extra expense.

OWN YOUR OWN HOME

There are other advantages beside the saving of money it means-you know them.

Remember, \$150 down and the balance the same as rent will buy many a nice home. During the past week more properties have been added to our list to take the places of
