was in the center of the district the department. Their investigation school is intended to serve, the missulted in the arrest of Fornier.

builds on that site.
"While I am not at liberty to give out the real reason for our action," continued Mr. Palmer, "I can say it is that we feel the placing of the Trafalgar School in such close proxis jeopardizing the usefulness and efficiency of the latter, which at the present time is possibly one of the steps would have to be taken to get

best-rated schools in the Province of Ontario.

"It is just a part of our desire, as a real estate board, to be of service to the public, and we feel that it will be only a repetition of the same mistakes that have been made in other parts of the city by building schools so close to one another."

So close to one another."

steps would have to be taken to get an additional piece of ground adjoining the property, he said, it was quickly pointed out that the necessary land could be expropriated at reasonable cost. Notwithstanding this refutation, the majority of members of the board still remained in favor of the site at Trafalgar and Oliver streets.

From the dental office he admitted taking two watches, valued at \$20.

At the Western Fair office he obtained keys to various buildings in the park.

When charged with stealing a watch and a coat valued at \$15 from Midden's butcher shop, he objected stating he only took the watch. The information was amended to read "a watch valued at \$10," and he pleaded

Will Not Serve.

At this juncture, F. W. Renwick, president of the London real estate board, came in, and Mr. Palmer stated that they were about to keep an appointment with their solicitor. Both were strong in their statements, however, that the Trafalgar School, if built on the proposed site, would not sarve the nurpose intended and

Both Ex-Ald. Palmer and Mr. Renwick were insistent, however, that a special meeting of the no mistake be made regarding their education would be called,

George Fornier, Langarth Street, Has Long Record Behind Him.

SHOWS NO REMORSE

Bring London Loan Bandit to Court After Diligent Search.

One of the week-end's mysteries was solved this morning, when the London Loan Building bandit was brought into police court. His con-temporary in crime, who swindled three local banks, is still at large, and the two affairs are evidently of

withstanding the opposition of the separate organization. Betraying not the slightest sign of remorse or concern, George Fornier, 16, who gave his address as 554 Langarth street, pleaded guilty to six charges of breaking and entering and theft. He will be sentenced next Wednesday.

Fornier, although but a lad, has quite a crime record. He spent three years in the Industrial School "It's the most ridiculous thing, to my mind, that the board of educafor theft and was only released several months ago. Shortly after he was discharged he stole a shirt, and was arrested. Friends intervened on Mr. Rowe and myself were alone in our convictions against the building his behalf, and Magistrate A. H. M. Graydon decided to give him another chance. The boy promised to "go
