Don't Let Your Bowels Get Constipated

Free motion of the bowels every day should be the rule of every one who aspires to perfect health, for once the bowels become constipated and clogged up, all the other organs of the body become deranged.

MILBURN'S Laxa-Liver Pills

They will clear away all the effete and poisonous matter which has collected in the system, give you a free, easy and natural motion of the bowels every day, start the sluggish liver working, and give tone and vitality to the whole intestinal tract.

\$8,000 FIRE LOSS AT HARWICH FARM

Councillor S. Huffman Loses Barns and Stock in Bad Blaze.

Special to The Advertiser. By Staff Correspondent.

Blenheim, June 9.—A disastrous fire took place about 4 o'clock this afternoon on lot 3, concession 2, W. C. R. Harwich township, when Councillor Leslie Huffman suffered the loss of his fine \$8 by 36 bank barn, large tobacco barn and silo, together with the contents, and besides considerable damage was done to a frame residence, in which live the family of the hired man. Fortunately the wind did not blow in the direction of his fine residence, and it was saved.

The flames spread rapidly, and soon the stack and barns were a mass of flames. The alarm was sent to Blenheim by phone, and Mr. Huffman hurried home, but before he arrived the buildings were gone. Neighbors rushed to the scene, but could do little.

CANADIAN APPEALS ON PRIVY COUNCIL LIST

City of Toronto's Dispute With Separate School Board To Be Aired.

Associated Press Despatch.

London, June 9.—Eight Canadian appeals are on the list for the approaching term of the judicial committee of the privy council. These include an appeal by the city corporation of Toronto against a judgment of the Canadian supreme court in a dispute with the Toronto separate school board over the erection of a Catholic school on Prince Arthur avenue, Toronto. The separate school board has acquired property on Prince Arthur avenue and made plans to erect thereon a school building, but on protest from property owners in the vicinity the city passed a bylaw restricting this particular area to residential buildings. The case was carried eventually to the supreme court at Ottawa which decided against the city. Subsequently the city was given leave to appeal to the privy council.
