

Have You Got It?

You Know What We Mean, the---

Community Smile

Planned to Build!

acquire especially here in Campbellton---
the place of Prosperity and Progressiveness, of Community Spirit, Neighborliness and general Good Fellowship.

Medical science teaches us that it takes just one-fifth the muscular energy of a frown to produce a Smile. And how much more attractive we are, when our countenances are wreathed in a Smile. It makes life and all the world look brighter.

You can't help but like to do business with people who always smiling greet you. Why not show the world that you too, are happy to be living in this enterprising Community?
