LETTERS FROM THE PEOPLE. A Band Matter.

To the Editor of The Farmer.

tree sees the Ole Hall sutrance. I understand that the putterned who were appointed
to act with His Worship, have declined to
mere tomer on the committee with hise, and
that the location of the Fountain was the
cause of their withdrawal. I cannot say if
this is true, but I do say this, that if it is,
Mesers Chestaut, Edgecombe and Johnston
lave tone quite the proper thing to my mind.
Let Mayor Fenety enjoy alone, all the glory
of the charaction to public convenience.
As a phaserther to the fund I would prefer no
fountain at all to having one located directly
in the way of araffic to and from the Olty

I am, yours, etc. Prode ictur, August 31st.

WICKBIE Fredericton, Sept. 1st, 1886.

Town and Country.

A New Post Office has been established at Z-sland Station, in this County, with Mr. Poter O. Rees as Postmaster. Messrs. A. Richey, J. T. Jennings, Geo.
Hodge and Harry Clarke left this morning for a holiday to Boston and New York.

Medam de Angelia of Boston, formerly of the year of some companies, at least, of it, were mustered out of service and settled in the very pretty and fertile valley through which the Nashwaak flows. There they and their children lived, and new settled in the very pretty and fertile valley through which the Nashwaak flows. Madam de Angelis of Boston, formerly of this city, assisted by local talent, is to give a gongert in the [Fiv Hall, Monday evening.]

Mr. M. Madeau M. P. P. was in town to-day, on his way to St. John. Two of Mr. Nadan's sons have just entered Memramcook College.

partment is enjoying a well earned holiday at Bangor, whither, itis said, a fair admirer

Tupper relative to New Brunswick's exhibiat the Colonial Exhibition at London,

R. D. Wilson and G. S. T. Bliss returned
Monday from their cricketing tour to Halifax,
and are spending the remainder of their
holidays fishing and shooting at Grand Lake.

The death of Mrs. G. L. Wetmore, mother

The death of Mrs. G. L. Wetm

Mr. John Bebbington, florist, Charlotte of the forest, so that the lumber inquisity here may be regarded as practically permanters, the spruce should become exhausted.

If the spruce should become exhausted of

buils one year old, six bull calves and four heifer calves of the same breed and possibly a few pure-bred Ayrshires.

Frank I. Morrison is agent for York County, for the following first class English,

The following first class English, the cotton mill. I am not going to trouble you with dimensions; it will be sufficient to say that it is the largest in Canada, and when fully stocked with machiner it will have the largest consumption. Mrs. Sarah Jane Marsten, in the 46th year of her age.

On the the 20th ult, at Vanceboro, Maine, Abner Grant, second son of the late D W. Grant of Canterbury, York Co., in the 25th County, for the following first class English, Scotch and Irish Fire and Life Insurance

Ompanies.
North British and Mercantile.
Liverpool and London and Globe. Commercial Union.

The Sentinel says that Mr. John Hartley of are no charges for interest on borrowe Shogomoc, York County, had another very great misfortune, in connection with rock-blowing, to befal him on Friday, 21st ult. When he began the foundation, he had more While charging a rock prepatory to blowing, the ne began the loandarion, he had more the charge went off, and passed through the put his cotton in the market, consequently rim of his hat not more than an inch from his head. He was blown several feet in the

The latest library to the same that the latest library to come five bear many of them as equil comborrably fill an omitted and accepted a challenge from the bearing of the mills, or latest library to come of the challenge from the bearing of them as equil comborrably fill an omitted with the latest come in to be the governor of

Acadie—the name will call up pleasant being an excellent sammer port, and the memories to the reader, who will think of nearest to Europe of any in Canada, Sydney, track, and but two miles from Spring Mill Mines, to woman's devotion, which Longfellow talks Line and avanted at Salt Spring Hill Line and avanted at Salt Spring Line and the Salt Salt Spring Line and the Salt Salt Spring Line and Salt " ALL YR ANTIENT LAND OF ACADIE." Evangeline and Gabriel, and the lovely story of woman's devotion, which Longfellow tells an experience in railroad building. He was field. The Government have built a siding on the property, and in the very heart of that vast coal in his smoothly flowing numbers. And it would also call up pleasant memories to the aboriginal awage, who used at times to make things interesting for Evangeline's friends and neighbours, for does it not mean codish? Dr. and Mrs. Band are from the guess of Hor. A. F. Randolph.

Presbyterian teamesting and concert at the mach talked of terminus of the Short Line, not excepted. Mr. Gibson has had quite an experience in railroad building. He was field. The Government have built a siding on the property, and the Company have built the track to the mine; sunk a clope 180 feet, out levels 300 yards, erected buildings for the Central New Brunswick, pass across extensive coal mines, and form a part of the Short Line from Montreal to Halifax.

Presbyterian teamesting and concert at the lovely story of woman's devotion, which Longfellow tells an experience in railroad building. He was field. The Government have built as siding on the property, and the Company have built the track to the mine; sunk a clope 180 feet, out levels 300 yards, erected buildings for the Central New Brunswick, pass across extensive coal mines, and form a part of the Short Line from Montreal to Halifax.

Line, not excepted. Mr. Gibson has had quite an experience in railroad building. He was field. The Government have built as iding on the property, and the Company have built the track to the mine; sunk a clope 180 feet, out levels 300 yards, erected buildings for the Central New Brunswick, pass across extensive coal mines, and form a part of the Short Line from Montreal to Halifax.

Line, not excepted. Mr. Gibson has had quite an experience in railroad building. He was field. The Government have built as iding on the property, and the Company on the property, and the Company on the property, and the Company on the proper

one of the most important places in all the maritime region which then formed part of the French domain, now known as Canada. About a hundred years ago His Majesty's 42nd regiment of foot, or some companies, at has all been taken up and a thrifty farming community established. About three miles from the mouth of the Nashwaak, and at the same time, about three miles from Fredericton, is Maryaville, the youngest and smartest

James Urquinart, who was crushed by a car on the Miramichi Valley Railway near the Covered Bridge Saturday, has died of his injuries.

Mr. R. S. Barker of the Crown Land Demarks of land, house, mill, factory, or other industry, from the beautiful shurch that growns the hill top, to the huge cotton mill, which stands down in the valley. And this man is Alex-

mr. C. A, Bramble of Stanley, has purated and will go extensively into the manufacture of shisgles and elephoards.

The Now is the time to have your Winter Sashes ordered, and got ready for cold weather, and thereby save fuel, they can be had at about notice from J. C. Risteen & Co.

Attorney General Blair, on Monday, at St. John, had an interview with Sir Charles Tupper relative to New Brunswick's exhibitant the Colonial Exhibition at London,

R. D. Wilson and G. S. T. Bliss returned

The death of Mrs. G. L. Wetmore, mother of Judge Wetmore, at the advanced age of \$\text{24}\$ announced elsewhere. The deceased lady was a daughter of the late A. W. Bains ford.

The ladies of the Congregational Church at Keswick Bidge, are to hold a tea meeting, fancy sale and supper, September 10th. Tea tickets 30 cts. They expect a large patronage. The Halffax Recorder says that Policeman Robert Timilton has been dismissed from the Fredericton force for drunkenness. There was he such man on the police farce of Fredericton.

The death of Mrs. G. L. Wetmore, mother of Judge Wetmore, at the advanced age of \$\text{24}\$ A well presented with many educational advantages, for he began his business life early, Mr. Gibson has found time to store his mind with a vast fund of useful knowledge. He is an exceedingly well-informed man, keeping himself well abreast of current thought and events. In politics he is a staunch liberal. He is a true democrat, recognizing no distinctions of class in his intercognizing not distinct the community better for his having leave the community better for his having was no such man on the police large of protogriction.

Mesers. Albert Sanderson and Alex. Mitchell appraisers on Mr. G. E. Stopford's loss by fire, have fixed the loss at \$6,400 exclusive of furniture. The insurance covers that farnture clothing etc., which he lost at the stream. By careful management he farnture clothing etc., which he lost at the stream. By careful management he head waters of the farnture clothing etc., which he lost at the stream. Office in the Maritime Farmer Building, corner of Queen and Carleton Streets, Frederictor, N. B.

At Calais, Maine, on the 12th tite, John Kerr, of Stanley, York Co., aged 79 years and 2 months.

At Petersville, Queens County, on the 26th ult., Edward Barry, aged 60 years,

Sin :—I am sorry that the Masons have not engaged the Fredericton Brase Band for the excursion to Grand Falle. I, of course, have no objection to the Infantry School Band; they play very nicely, but I think, where it is possible, preference about the given to a local band. He was blown several feet in the strength of the play very nicely, but I think, where it is possible, preference about the given to a local band. He was blown several feet in the strength of the play very nicely, but I think, where it is possible, preference about the given to a local band. He was blown several feet in the strength of the play very nicely, but I think, where it is possible, preference about the given to a local band. He was blown several feet in the strength of the play very nicely, but I think, where it is possible, preference about the play of the proposition of the land daughters is a farmer. The other is a book-keeper in the cotton mill. The dwellings of the principal employees about the several industries are commodious and neat cottages,

surrounded with ornamental trees, and form ing a very pretty street. THE MULL HANDS for the most part live in double cottages near the hunt of the atream. On the hill hack of the cotton mill, streets have been laid out and substantial brick houses flave been erested, and others are in course of erection

COMPETITION FOR THROUGH TRAFFIC

Not the promissory, but facts about WELCOME SOAP, an article that does not contain one particle of the adulterations used to reduce the cost of "Pure Goods," but does possess the full value of legitimate Washing Qualities, the demand for which proves the advantage gained by the use of the genuine advantage gained by the us were Soaps of doubtful character. None should be deceived even by Red and Yellow Wrappers, or any of the imitations of the Welcome, as a pair of clasped hands is stamped on every har. Made by Curtis Davis & Co.

It produces great heat, and hence is greatly prized by steam users, especially where tubular boilers are used.

Further particulars and information may be obtained by addressing the undersigned.

To the Rescue. "When all other remedies fail " for Bowel Complaint, Colie, Cramps, Dysentery, etc., "then Dr. Fowler's Extract of Wild Strawberry comes to the rescue." Thus writes W. H. Crocker, druggist, Waterdown, and adds that "its sales are large and increasing."

Scott's Emulsion of Pure Çod Liver Oil, with Hypophesphites As a Remedy for Consumption. Dr. H. J. PRATT, Montello, Wisconsin, says: "After a thorough test of over two years, I voluntarily recommend your Scott's Emulsion to those afflicted with consump-

> The following testimonial from Messrs. Essensa was received in March, 1883, but Mr. Andrew Essensa, who was in our Office a few days ago, says on it being read over to him, "that's correct every word of it," and then told of work they had done surpassing their state ments as below.

HARVEY, N B., March 26, 1883. MESSES' JOHNSTON & Co., DEAR SIRS .- Gray's Thresher that we pur DEAR SIES.—Gray's Thresher that we purchased of you last year has given satisfaction, first in amount of work done, and second in construction of Machine. We have threshed in good grain from 40 to 45 bushels per hour, and have run through one bushel per minute for a short time. Some persons when first seeing it in operation said it would fly all to pieces, but having threshed 10,000 bushels of grain with it, we see no prospect of its bursting for some time yet, and if we wanted a Machine would purchase no other.
