SEE WHAT THEY SAY ABOUT IT: TESTIMONIAL.

MESSRS. THE E. & C. GURNEY CO., TORONTO. ONEL HOUSE, WOODSTOCK, ONT., July 9th, 1891.

GENTLEMEN:-Replying to your enquiry as to the working of the John Bull Hotel Range which I purchased from you some time ago I would say that I am more than satisfied. The consumption of fuel is not more than one-half of what I had used in a similar range made by another firm, and the results are for all purposes what were satisfactory. The range is one of your number "C" series, having one fire and two large ovens, and the heat in both ovens is perfect and the baking qualities cannot be surpassed. I am convinced that your range is equal, if not superior, to any other on the market.

Respectfully yours, (Sgd.) J. C. MILLER
