

### Backache

Is only one of many symptoms which some women endure through weakness or displacement of the womanly organs. Mrs. Lizzie White of Memphis, Tenn., wrote Dr. R. V. Pierce, as follows:

"At times I was hardly able to be on my feet. I believe I had every pain and ache a woman could have. Had a very bad case. Internal organs were very much diseased and my back was very weak. I suffered a great deal with nervous headaches, in fact, I suffered all over. This was my condition when I wrote to you for advice. After taking your 'Favorite Prescription' for about three months can say that my health was never better."

### Dr. Pierce's Favorite Prescription

Is a positive cure for weakness and disease of the feminine organism. It allays inflammation, heals ulceration and soothes pain. Tones and builds up the nerves. Do not permit a dishonest dealer to substitute for this medicine which has a record of 40 years of sales. "No, thank you, I want what I ask for."

Dr. Pierce's Pleasant Pellets induce mild natural bowel movement once a day.

### THE LOST SPECTACLES.

What Happened When the Old Gentleman Tried to Find Them.

A man from "up state" who was in New York city on business was taken by a nephew whom he was visiting to dine at a Broadway restaurant the evening of his arrival. The next day he said to the younger man:

"Where is that restaurant we dined at last night? I left my gold spectacles there, I'm pretty sure. I've got another pair with me, but I don't want to lose the others."

"I'll stop in and get them for you on my way down town," replied the nephew.

He went to the restaurant, explained the circumstances and received a pair of gold rimmed spectacles that had been left on a table the previous evening. On his return home in the afternoon he handed them to his uncle.

"Where in thunder did you get those?" inquired the elder man. "I was going down Broadway today and recognized the place we dined at—at least I thought I did. Anyway I went in and asked if I left my spectacles last night, and they gave me this pair." He produced another pair of gold rimmed spectacles.

Upon the uncle describing the restaurant whence he had retrieved the glasses the nephew assured him it was several blocks from the one they had patronized the day before. While the two were discussing the situation the postman delivered a package for the uncle. It contained a pair of gold rimmed spectacles, with a note from his wife saying that she had found them on his writing desk at home and was sending them to New York in the event that he might need them.—New York Herald.
