

NA-DRU-CO Tasteless Preparation of Cod Liver Oil

Prevents Sickness Restores Health

Are you one of those thousands who, though apparently well, catch cold easily and often? It's a dangerous condition to tolerate, and one which you can easily prevent by taking two or three bottles of Na-Dru-Co Tasteless Preparation of Cod Liver Oil at once—this fall.

This pleasant-tasting food-tonic gives tone and vigor to the whole system, and so strengthens lungs and bronchial tubes that they readily throw off the colds which would otherwise take hold of you.

By virtue of its remarkable combination of curative and nutritive properties, Na-Dru-Co Tasteless Cod Liver Oil is one of the very best remedies known for chronic coughs and colds, bronchitis, asthma and catarrh. It is also an excellent reconstructive tonic after fevers, and in diseases such as scrofula and rickets, which are due to constitutional weakness.

Prove its worth by getting a 50c. or \$1.00 bottle from your Druggist. 311

BABY'S OWN TABLETS

Baby's Own Tablets are the best medicine a mother can give her little ones. They are absolutely safe, being guaranteed by a government analyst to contain neither opiates, narcotics or other harmful drugs. They are good for all children from the newborn babe to the growing child. They cure constipation, indigestion, expel worms, break up colds and make teething easy. In fact they are a cure for all the minor ills of little ones and a box should always be kept in the house as a safeguard against sudden attacks of stomach or bowel troubles. Mrs. J. P. Richard, St. Norbert, N.B., says: "I have found Baby's Own Tablets all that is claimed for them. My baby suffered from his stomach and bowels and the Tablets certainly did him good." They are sold by all medicine dealers or by mail at 25c a box from The Dr. Williams' Medicine Co., Brockville, Ont.

A by-law is to be introduced by the municipal council of Forest to appoint a qualified inspector of meat and food.

The case of Susan McIlwain vs. the Grand Trunk Railway Company was put over until the spring assizes. This was an action to recover \$500 for fracture of the left leg and other injuries causing permanent disablement caused by a fall in the station waiting room of the defendant company at Petrolia on August 3rd, 1910, as is alleged on account of the greasy condition of the floor of the waiting room, causing plaintiff to slip while walking across it.
