IS YOUR CHILD THIN AND WEAK?

Cod Liver Extract In Sugar Coated Tablets Puts On Flesh and Builds Them Up.

In just a few days—quicker than you ever dreamt of—these wonderful health building, flesh creating tablets called McCoy's Cod Liver Extract Tablets will start to help any thin, underweight little one.

After sickness and where rickets are suspected they are especially valuable.

Most people know that from the livers of the lowly codfish vitamins of the first class are extracted—the kind that help all feeble, underweight men, women and children.

Try these wonderful tablets for 30 days and if your frail, puny child doesn't greatly benefit—get your money back.

A very sickly child. Age 9, gained 12 pounds in 7 months.

Ask any druggist for McCoy's Cod Liver Extract Tablets—as easy to take as candy and 60 tablets, 60 cents.

Quickly Drives Out All Rheumatic Poison

The first day you take Rheuma, the doctor's remedy that is selling so rapidly, you'll realize that when Rheuma goes in uric acid goes out.

It matters not whether you are tortured with pain, crippled with swollen joints or distressed with occasional twinges, Rheuma is guaranteed to end your rheumatic trouble or money back.

Rheuma is just as effective in cases of lumbago, sciatica, arthritis and chronic neuralgia.

Rheumatism is a dangerous disease. It often affects the heart and causes death. If you have it in the slightest degree get a bottle of Rheuma from J. W. McLaren or any good druggist today and drive it from your system at once.

Buy Diamond Dyes—no other kind—and tell your druggist whether the material you wish to color is wool or silk, or whether it is linen cotton or mixed goods.

A Little Booklet Mothers Should Have

It Tells What a Mother Ought to Know for Baby's Sake

Above all things every mother wishes that her child, or children, whatever their age, may be bright, healthy, good-natured, rosy boys and girls; clear eyed, clear skinned babies; good sleepers, bright wakers. Every mother's wish for her little folks is that they may be well.

It is natural for little folks to be well. No wise mother thinks that her child at any age is in a natural state unless it is well and happy. No mother can expect, though, that her child will escape all the ills to which babyhood and childhood are subject, but she can do much to make baby's battles for health easily won.

A valuable little booklet entitled "Care of the Baby in Health and Sickness" has been prepared and as it is something every mother should have, a copy will be sent free to any mother on request who will mention this paper by The Dr. Williams' Medicine Co., Brockville, Ont.
