

ON THE
Philosophy of Marriage, and the Secret In-
firmities of Youth and Maturity.
With fifty Coloured Engravings on Steel.
In a Sealed Envelope, price 2s 6d sterling.

SELF-PRESERVATION: an Analytic
and Scientific Investigation of the Physiology
and Functions of Marriage, in all the bear-
ings in which that important subject affects
the health and happiness of man, with its
disqualifications, and impediments, tracing
their origin to the effects of juvenile soli-
tary habits, youthful excess, tropical climates,
or close study; followed by practical re-
marks, founded on twenty years experi-
ence in the treatment of impotence, ner-
vous debility, local weakness, spermator-
rhoea, syphilis, and all diseases of the urinary
and generative system. Illustrated by
fifty Coloured Engravings on the anatomy
of the reproductive organs and their rela-
tive conditions in health and disease. By
SAMUEL LA'MBERT, M.D., No. 37,
Bedford-square, London, Doctor of Medi-
cine, Matriculated Member of the Universi-
ty of Edinburgh, Honorary Member of the
London Hospital Medical Society, Licenti-
ate of Apothecaries' Hall, London, &c.

The essential object of this treatise is to
point out, the fearful consequences result-
ing from certain habits, irregularities and
excesses, which have produced more mis-
ery in youth, degradation in manhood, and
premature decay at all stages of life, than
perhaps, any other class of disease known
to modern pathologists. Its perusal is par-
ticularly recommended to persons entertain-
ing secret doubts of their physical condi-
tions, and who are conscious of having haz-
arded the health, happiness and privileges
to which every human being is entitled.—
The contents embrace the origin, effects,
prevention and treatment of the deplorable
catalogue of maladies connected with ner-
vous debility, exhaustion of the vital ener-
gies, prostration of mental and physical ca-
pacity local and general weakness, acute
and chronic spermatorrhoea, and their en-
dless modifications. The treatment adopted
is founded on experience gained in the most
celebrated schools of medicine, and by the
most eminent practitioners, both in Great
Britain and in Continental Europe. Every
peculiarity relating to the physiology, pa-
thology and general treatment of the dis-
eases incidental to the generative system is
clearly explained, and the means of im-
mediate relief and ultimate cure described in
detail. The professional reputation of Dr.
La'Mbert, who has taken the most distin-
guished medical and academic honours, at
home and abroad, is in itself a sufficient
guarantee that those who may place them-
selves under his care will, in every instance
meet with that delicate consideration and
invaluable secrecy which are so requisite in
the treatment of these cases.

By JOHN TALLIS & CO. OF LONDON
THE LIFE AND TIMES OF THE LATE
Duke of Wellington;

By Lieut. Col. Williams; (a Companion at
Arms, of His Grace.)

Comprising the Campaigns and Battle-
Fields of Wellington and his Comrades,
the Political Life of the Duke and his
Contemporaries, and a detailed account
of England's Battles by Sea and Land,
from the commencement of the Great
French Revolution to the present time,
interspersed with Anecdotes Personal
Incidents, and Adventures, etc.

ADDRESS.

The earthly career of Arthur Duke
Wellington has closed; one of the greatest
men of the nineteenth century, the fore-
most military commander of any age has
paid the debt of nature. The time has not
arrived for giving to the world a History
of the Great Captain—the Events of his
Life and Times—a life marked by patriot-
ism and honour, and events the greatest
which have ever agitated the civilized
world, and whose influence will be felt
upon society till the end of time.—Such a
work must appeal to the best and proudest
feelings in the heart of every Briton—the
glory of his country, the honour of its name
and position among the nations—may his
own existence as a freeman, as recorded
and engraven in the annals of the "wel-
fought fields," and the deadly imminent
breaches, the immortal battles and the glori-
ous sieges in which Wellington and his
Companions-in-arms gathered unfading lau-
rels, placed their country's honour and
renown on the highest pinnacle of fame and
glory, and tore the victor's wreath from the
brows of heroes decorated with the trophies
of Italy, Egypt, and Germany.

To supply such a desideratum in Eng-
lish literature, the publishers of The Life
and Times of the Duke of Wellington have
determined to produce a work which shall
present to the reader, not only a dry
details which a mere biographical sketch
would afford, but a comprehensive work,
embracing the contemporaneous history of
the period; exhibiting the circumstances
which brought about the great events in
which the Duke and his contemporaries
were engaged, and giving to the reader a
connected narrative of the lives and actions
of the Warriors and Statesmen of the nine-
teenth century; and this from the pen of
one who was a companion in arms of the
great hero, and participated with him in
many a well-fought field.

In order to carry out their views, the Pub-
lishers have determined that the work shall
be profusely illustrated by Portraits of the
Warriors and Statesmen of the last half
century who have shed a lustre upon the
history of their country; also representa-
tions of the most important engagements by
sea and land from the period of 1750 till
1852; so that the work, when finished, shall
form an Illustrated Gallery of the Naval and
Military Exploits of England.

It has been well said, "Character is the
true strength of nations; true glory their
best inheritance. When the time shall
come that the British heart no longer throbs
at the names of Crespy, Poitiers, Agin-
court, Blenheim, Ramillies, Oudenard,
Malplaque; of Talavera, Salamanca, Tou-
mase, Waterloo—the last hour of the
British Empire will be struck." The pro-
motion and elevation of national spirit and
feeling is therefore the duty and interest
of every true and loyal son of England
May Heaven inspire the hearts of every
one of us with that spirit and feeling.

Conditions of Publication.—The work
will be issued on the 1st and 15th of every
month, in Parts at 1s. 2d. and Divisions
handsomely bound at 9s. 4d. printed on Im-
perial 8vo. double columns, each part will
be embellished by two highly finished steel
Engravings, and will contain 32 pages of
letter press. A beautiful steel Engraving
13 by 19 inches, the storming of Seringapa-
tam, the first victory in which the late Duke
of Wellington was engaged in India, to
every subscriber to the work.

HEALTH RESTORED!!

HOLLOWAY'S PILLS.

Surprising Cure of a confirmed Asthma,
after five years' suffering.

The following testimonial has been sent to
Professor Holloway, by a Gentleman
named Middleton, of Scotland-road, Li-
verpool.

SIR,—Your Pills have been the
means, under Providence, of restoring me
to sound health, after five years of severe
affliction. During the whole of that period
I suffered the most dreadful attacks of
Asthma, frequently of several weeks' du-
ration, attended with a violent cough, and
confined spitting of phlegm intermixed
with blood. This so shook my constitu-
tion that I was unfitted for any of the active
duties of life. I was attended by some of
the most eminent medical men of this town,
but they failed to give me the slightest
relief. As a last remedy I tried your Pills,
and in about three months they effected a
perfect cure of the disease, totally erad-
icated the cough, and restored tone and
vigour to the chest and digestive organs.—
I am, Sir, your obedient servant,
(Signed) H. MIDDLETON.
Dated Jan. 1st, 1853.

A Permanent Cure of a Diseased Liver,
of many years' duration.

Copy of a letter from Mr. Gamis, Chemist,
Yeovil, to Professor Holloway.

Dear Sir,—In this district your Pills
command a more extensive sale than any
other proprietary medicine before the pub-
lic. As a proof of their efficacy in Liver
and Bilious Complaints I may mention the
following case. A lady of this town with
whom I am personally acquainted, for years
was a severe sufferer from disease of the
Liver and digestive organs; her medical
attendant assured her that he could do
nothing to relieve her sufferings, and it was
not likely she could survive many months.
The announcement naturally caused great
alarm among her friends and relations, and
they induced her to make a trial of your
Pills, which so improved her general health
that she was induced to continue them un-
til she received a perfect cure. This is
twelve months ago, and she has not experi-
enced any symptoms of relapse, and often
declares that your Pills have been the
means of saving her life.

I remain, dear Sir, yours truly,
(Signed) J. GAMIS.
Nov. 22, 1852.

An astonishing Cure of Chronic Rheuma-
tism, after being discharged from the
Hospital incurable.

Copy of a Letter from Mr. W. Moon, of
the Square, Winchester.

To Professor Holloway.

SIR,—I beg to inform you that for
years I was a sufferer from Chronic Rheu-
matism, and was often laid up for weeks
together by its severe and painful attacks.
I tried every thing that was recommended,
and was attended by one of the most emi-
nent surgeons in this town; but obtained
no relief whatever, and fearing that my
health would be entirely broken up, I was
induced to go into our County Hospital,
where I had the best medical treatment the
Institution afforded, all of which proved of
no avail, and I came out no better than I
went in. I was then advised to try your
Pills, and by persevering with them was
perfectly cured, and enabled to resume my
occupation, and although a considerable
period has elapsed, I have felt no return
whatever of the complaint.

I am, Sir, your obliged servant,
(Signed) W. MOON.

An extraordinary Cure of Dropsy, after
suffering for eighteen months.

Copy of a letter from Mr. G. Briggs, Chem-
ist, Goole, dated February 15th, 1853.

To Professor Holloway.

SIR,—I have much pleasure in in-
forming you of a most surprising cure of
Dropsy recently effected by your valuable
medicines. Captain Jackson of this place
was afflicted with Dropsy for upwards of
eighteen months, to such an extent that it
caused his body and limbs to be much
swollen, and water oozed as it were from
his skin, so that a daily change of apparel
became necessary, notwithstanding the
various remedies tried, and the different
medical men consulted, all was of no avail
until he commenced using your Pills, by
which, and a strict attention to the printed
directions, he was effectually cured, and
his health perfectly reestablished. If you

deem this worthy of publicity, you are at
liberty to use it.

I am, Sir, yours respectfully,
(Signed) G. BRIGGS.

These celebrated Pills are wonderfully
efficacious in the following complaints:
