A gentleman at Bristol writes:—"For six years a decayed tooth prevented mastication on the side it was situated, as well as causing many sleepless nights; but having used Bunter's Nervine, I am not only relieved of the most troublesome of all pains, but can now use the tooth without the slightest inconvenience."

CADBURY'S

The reason why so many are unable to take Cocoa is, that the varieties commonly sold are mixed with starch, under the plea of rendering them soluble; while really making them thick, heavy, and indigestible. This may be easily detected, for if Cocoa thickens in the cup it proves the addition of Starch. CADBURY'S Cocoa Essence is genuine, it is therefore three times the strength of these Cocoas, and a refreshing beverage like tea or coffee.
